GOLDEN MEMORIES OF CHILDHOOD

Lillian BURNETTE

A few years ago when New Marissa had open house at the fire station on Railroad Stre I relived my childhood in East St. Louis, Illinois. Then horses were used to pull t hook and ladder wagon and the fire engine.

The fire house I am referring to, I think, was at 8th Street and Collinsville Avenue It faced the north and the hook and ladder wagon was on the east side of the buildin and the fire engine was on the west side. The fire engine looked like an old-fashio milk can, painted red, with smoke coming out of the top. On the wagon there was a metal pole fastened to the floor and rested against the seat in the middle. It reac about a foot and a half above the seat and on the top was balanced a big, shiney bra bell. I remember the tongues of these vehicles sticking straight out toward the street with the harness, all polished and nearly hung from the ceiling.

The stalls for the horses were inside the station facing the south, back of the wago and engine. The mangers were fastened to the south wall. It was the delight of the neighborhood kids to gather at the fire house every evening at six o'clock to watch the horses train. These horses were beautiful big animals, perhaps Clydesdales or Percherons.

At six o'clock the horses were fed. About halfway through their feeding an electric bell was rung. Quick as a flash they left their stalls. Each horse knew exactly which vehicle it belonged to and on which side of the tongue it was to stand. No or had to say, "Back up, boy," or "Over, boy." They went to their places and the harne

Sarah,

Your great-great-great grandmother, Nancy Selinda Johnson Crain Hendricks had three sets of twins, as follows:

ELLA ADALINE HENDRICKS MITCHEM (your G-G grandmother)
born / 29 Jan 1866 / in Illinois
ALICE ELIZABETH HENDRICKS KENGLE
born / 29 Jan 1866 / in Illinois

JOHN HENRY HENDRICKS
born / 29 Dec 1872 / in Illinois
GEORGE WASHINGTON HENDRICKS, JR.
born / 29 Dec 1872 / in Illinois

LEVI AND FRANKIE HENDRICKS
Their birth and death locations are unknown (may have been stillborn ??)

(Note: a newspaper article from the Oswego Kansas newspaper in 1945 told of John Hendricks of Oklahoma City who attended a funeral in Oswego of a friend of the family. In the article it stated "Mr. Hendricks was a former Oswego boy. He and the late Will Hendricks (this is an error......he was George's twin) were twin sons of a former Probate Judge of this county, G. W. and Mrs. Hendricks in whose family there were three sets of twins

Thomas Orrin Mitchem (son of Ella Adaline Hendricks who married Orrin Mitchem) and grandson of Nancy Selinda.......had,

JUANITA MARIE MITCHEM
born / 17 Apr 1918 / Bartlesville
JUANDA LOUISE MITCHEM

born / 17 Apr 1918 / Bartlesville

Jo Anne Swift Deaton (daughter of Helen Metzinger Swift) and great-great-granddaughter of Nancy Selinda

ASHLEY SHANNON DEATON
born / 27 Jul 1987 / Tulsa, OK
RACHEL ANN DEATON
born / .27 Jul 1987 / Tulsa, OK

SO...........

Your great-great-great grandmother, Nancy, had three sets of twins

Your great-great uncle, Thomas Orrin, had twin daughters in 1918

Your second cousin, Jo Anne, had twin daughters in 1987

All set of twins, except Levi and Frankie, lived to adulthood and some to very old age.
It has always amazed me that those early sets of twins survived and lived to very old ages. My great-grandmother Nancy had five children by her first husband and only two lived to adulthood. She then had nine children by her second husband and seven of those survived.........so amazing when early infant mortality was the norm in 1850s through the 1870s.

Love much,
Gram

M. M. Goodner, a native of Washington county, read law in the office of Hon. Amos Watts, and began the practice of his profession in 1860.

Mr. Goodner has occupied several positions of honor and trust, the most important of which, was the office of Judge of the county court.

Judge George W. Vernor, the present Judge of the county court of Washington, is a native of the county; was admitted to the Bar in 1860, and has been eminently successful in the practice of his profession.

Lafayette Belcher, was licensed to practice law, in about the year 1858.

Lewis M. Phillips, was licensed to practice, in 1860. He is a man of sound morals, well defined conscientious convictions, a diligent student, and consequently an able lawyer.

Wm. Berry and John Lane, were admitted to the Bar, some time during the war of the rebellion.

R. H. Madden, located, and began the practice of law in Nashville, in 1861. In 1872 he removed to Chicago, where he now resides.

Incident.—In the history of the bar, as in the history of all other professions and avocations, there are to be found many genuine specimens of the "Genus Homo," and many incidents that are peculiarly diverting in their character.

In the early days of Nashville George W. Lee, known as the "irrepressible," afforded a source of great amusement for the lawyers and politicians. Lee was a great politician, and believed in the infallibility of General Jackson. His highest ambition was to be a lawyer, and at almost every term of the court he would present himself for examination, for admission to the Bar. On one occasion, when the examiners, the court and every one present had become satisfied of his incompetency, the examiners concluded to have some sport with the "descendant of the Revolutionary Lees, and accordingly proceeded to propound all manner of ludicrous questions to him.

One of the examiners propounded this question: "What penalty do our laws prescribe for the crime of suicide? Lee studied thoughtfully for a moment, scratched his cranium, and anwered: "I don't know, unless it is to send the victim to h-ll." On one occasion, as Senator Breese, was about to take his departure for Washington City, the indomitable Lee, sent him word that he wanted to see him before he left for the Capital. It was just as the talk of a war with Mexico had begun to get common over the country. With great dignity, Lee informed the Senator that he had a message, which he wanted conveyed to the president. The Senator expressed the pleasure that it would give him to be the bearer of a message from so distinguished a personage as Lee to the president, and asked him what it was that he desired to communicate. Says he, "Tell President Polk, if we want to whip the Mexicans, we must fight them upon land and upon sea."

The brilliant General U. F. Linder was in attendance upon one term of the court in Nashville, in 1842. He left behind him the record of being one of the most eloquent advocates that ever practiced at the Washington county Bar.

In 1840, and for several years thereafter many lawyers of wide-spread reputation, were in atttendance at the terms of the circuit court of this county. Among the most noted were Judge Joseph Gillespie, of Madison county; Hon. Ben. Bond, of Clinton, Gov. G. Koerner, of St. Clair, Col. Wm. H. Bissell, Lyman Trumbull and others. Judges Trumbull and Gillespie were more engaged in practice than the others.

General Shields, while not upon the Bench, practiced for several years at the Nashville Bar, as did also, Judge H. K. S. O'Melveney.

Richard Bond, a prominent lawyer of Carlyle, had at one time considerable practice in the courts of this county.

Judge Underwood, also, when not employed upon the Bench, was a practitioner in our courts. Between the years 1846 and 1865, Judge Underwood had a large and remunerative practice in this county.

For several years previous to the breaking out of the war of the Rebellion, General Haynie and Judge Parish attended the courts of Washington county.

They were both lawyers of great popularity, and had a large practice, each of them.

T. M. Robinson, a native of the county, and resident of Ashley, was admitted to the Bar in Texas, in about the year 1875, and is now a member of the Washington county Bar.

J. W. Hudson, present County Superintendent of schools, resides at Ashley, and practices law in the courts of Washington county. Mr. Hudson is a man of culture, well educated in his profession, and possesses those traits essential to success in the profession of law—studious habits and sound personal character.

CHAPTER VII.

PATRIOTISM.

> "Breathes there the man with soul so dead
> Who never to himself hath said,
> This is my own, my native land!
> Whose heart hath ne'er within him burned,
> As home his footsteps he hath turned,
> From wandering on a foreign strand?"

NOTHING is more natural than for Americans to love America. Its vast territory, embracing every variety of climate, every quality of soil; and its mighty rivers, on whose bosoms float the products of its fertile valleys and its mammoth manufactories; its silvery lakes and snow-capped mountains; its stupendous cascades and gorgeous scenery; its inexhaustible mines and gigantic internal improvements, are objects sufficient to awaken the pride and strengthen the devotion of any citizen for our country.

Nor is this all. Americans find in their country, its history, its traditions and its institutions, something worthy to love, something worthy to preserve. In our country that grandest political doctrine, that "all men are created equal" in the scale of human rights, first found enunciation, and was first incorporated in the organic law of the land. The government stretches out its broad and strong arms for the protection of all its citizens in the enjoyment of personal liberty and freedom of conscience.

It is by no means surprising that citizens fostered, cherished and pro-

Sam Carpenter, president of board of education, presented diplomas to the following graduates: Harriett Baker, Nina Bringle, Treava Brown, Winnie Carson, Rexford Cragg, Anna Crapton, Vivian Cretors, Ida Dugan, Marguerite Fitzgibbon, Stella Foltz, Rachel Goldsborough, Mary Gossard, Grace Guntle, Genevieve Hayes, Ethel Hurlbut, Miriam Jones, Opal Landreth, Hiram Liggett, Paul Robinson, Ethel Rodgers, Edith Rowland, Gladys White and Nellie Whitsitt.

Under many difficulties, Supt. Loomis brought the schools to a successful close. Next year the pupils will attend in the new school building, which was completed this week.

The Strode Industrial Academy closed with a picnic last Monday on the lawn of Prof. Wood's home. The relatives and friends of the students were invited guests and comprised about three hundred.

Commencement exercises were held Tuesday evening and were largely attended. Bea Barbee, Olive White, Walter McComb, Jessie Pride, Freda Pearson, Ruby Sturgeon and Opal Nickel composed the graduating class. Mrs. Graham played a march on the piano as the graduates took their positions on the platform. The church was decorated with gold and black and the class motto, "Work for the Night is Coming," was written in large gold letters upon black background, forming an arch, which extended almost across the front of the church.

After invocation by Elder Kennedy, Elder Mead McGuire delivered the address, which was inspiring to the class and interesting to all. Prof. White presented the diplomas and commended the class for their excellent work. He stated that not more than 20 per cent of the students ever complete the 8th grade and less than 10 per cent finish a high school or academic course.

The baccalaureate sermon was delivered Saturday at the Adventist church by Elder Kennedy. A vocal solo was rendered by Miss Maud Lickey entitled, "Hold Thou My Hand.," and J. L. Ballard pronounced the invocation.

The Strode Academy is a growing institution and one of the most potent factors in the upbuilding of Oswego.

Life is busy and interesting at the college all these days. Examinations,

ARRESTED FOR FELONY.

S. S. Snell, Who Beat C. C. Hewitt Out of $25, Caught at Yates Center.

He is expected to be brought to this city Friday by Deputy Sheriff Hiatt. The charge preferred against him is obtaining money under false pretenses. It is said that he bought a restaurant in Parsons and paid nothing for it and in fact

THE FOREST TREE CATERPILLAR.

That is Destroying the Fruit and Shade Trees in and Around About Oswego—Life History.

Those large caterpillars that have been so conspicuous the past few weeks will soon disappear to crawl under clods, boards, boxes, and into cracks and crevices to spin their cocoons or pupae. Then in a few weeks they will emerge as moths to fly about and lay their eggs on the twigs of the trees. The eggs are laid in rows around the twigs, forming a band about three-eights of an inch long. From 200 to 300 eggs are laid by each moth, so that for each moth that lays its eggs this season there will be a hundred or more next season. It is in the egg form that they winter over, hatching about April 1st. When small they are not readily noticeable, but can be detected about the middle or latter part of April by jarring the fruit trees. At this time their damage is small, but as they grow they eat more, and more and will strip the trees of their leaves as you have seen them doing the past three weeks.

Method of Controling the Caterpillar.

Next spring about the middle of April spray your trees with three pounds of arsenate of lead in fifty gallons of water. The water must be agitated thoroughly while you are spraying or else the arsenate of lead will settle to the bottom and only water will be sprayed on the trees. You understand it is essential to get the poison on the leaves, where the caterpillars will eat it.

Thousands of dollars worth of fruit have been lost in Neosho and Labette counties this spring because the trees were not sprayed in time to prevent the ravages of these caterpillars. To spray now, after the leaves have been eaten, would be like locking the barn door after the horse has been stolen.

However, where the trees still have their foliage and the caterpillars are bothering it would be profitable to spray and prevent further destruction of the leaves and fruit.

Unless some other insect comes along to pray upon the caterpillars next year their ravages will be greater and wider spread than they have been this year. So that, the thing to do now is to get ready to spray next April and kill the caterpillars before they get large enough to do their damage.

While many farmers were kept away by the pressing work in planting corn on account of the season being so late, there was still quite a large attendance at the Old Settlers' picnic held at the city park Wednesday afternoon, and the interest manifested was even more marked than at former meetings.

A. Kaho presided over the meeting and read an interesting paper giving an account of the first 4th of July celebration in Oswego, first criminal case and other incidents. It will be printed next week in these columns.

Myrtle, Beulah and Howard,

My dear little grand Children:- I will write to you this evening. We are all well and hope you are the same, I was very glad to receive your letter and to see that you are improving so in your studies. Aunt Alice says that Howard beats any boy to read that she ever saw, That is right, Keep on and you will all make good scholars, We are expecting you all down here to the barbecue in August. I have a fellow picked out for each of you girls and a little girl for Howard, Myrtle, your fellow is Grant, Sherman, Emancipation Proclamation Washington, He is about five feet in height and three feet across the back, Beulah, your fellow is named Abraham Lincoln, George Washington Williams. He is about five feet high and ten inches across the back. Howard's girl is three feet high and two feet across across the the back. They all have a complexion that is not easily affected by the sun or wind, They do not tan easilly, They are not apt to stick their noses into other people's business for the reason that they are so flat that they cannot stick them into anything. Their hair is usually cut quite short, and ~~well~~ when allowed to grow out, is very curley, in fact, so much so, that they cannot get a comb through it. Their feet are set on their legs something after the manner that a pick is set on the handle.

I have promised the gentlemen that they can take you girls to the barbecue, also that Howard shall take the little girl, I forgot to state in the proper place that Howard's girl is named Martha Ann, Katie, Lizzie Brown, I hope that you will all have a good time at the car and get lots of ice cream and lemonade. When the fourth of July comes I want Howard to twist the tail of the American Eagle and make him scream in good shape, and you girls to sing: "My country; 'tis of thee I sing." Aunt Lis has been building a dress for a woman, and doing house work, and scolding. Grandma looks after everything on the place and "shoos" the birds away from the grapes and pears.

I am finishing this letter on Sunday morning and when I finish and mail it, maybe, I will go to church.

I married a couple last night about 10 o'clock and as soon as they were gone, grandma jumped on me and took my money away from me, Elbert drives the cows, feeds Mrs. McGill's horse and fishes. He has caught one cat fish and ~~and a~~ a bull frog. Our next door neighbor has a little girl just the right size for Howard. She is a little hard of hearing, but I think he can make her understand.

Grandpa.

G. W. HENDRICKS DEAD

The flag at half mast in the Court House yard Wednesday bore mute evidence that another of the Boys in Blue was being laid away and many there were who paused to drop a tear and ponder the rapidity with which they are passing on.

George W. Hendricks, after a brief illness of but four days, died at the family home on Merchant street Monday morning, October 16, at 8:15 o'clock, at the age of 75 years 11 months and 1 day Funeral services were held at the home Wednesday afternoon, October 18, in charge of the I. O. O. F. Fraternity, of which he had long been an honored member. A large assemblage of friends were there to pay their last tribute of respect and interment was in Oswego cemetery, beside his wife who preceded him nine years ago.

"Judge" Hendricks, as he was best known in this county, was born in St. Clair county, Ills., November 15, 1840, was united in marriage with Nancy Crain in 1861 and to this union nine children were born, of whom seven survive. Mrs. M. C. Gillon, W. J. Hendricks and G. W, Hendricks Jr., of Oswego, Mrs. O. O. Mitchem and J. H. Hendricks, of Bartlesville, Mrs. H. V. Kengle, of Enid and Mrs. W. B. Lance of Pittsburg, all of whom were present before he passed away and for the funeral.

He taught school for many years in Illinois, studied law and was admitted to the bar and with his family came to Kansas in 1883, locating at Labette. Here he also taught and practiced law. Later he located in Oswego and taught one term in this city. He was elected served one term as Probate Judge. During the war he enlisted in Co. F 51st Ils., and served till the end of the trouble.

He was a good man, firm always in his stand for the right, and no one could say aught against him. Oswego loved him and will long cherish his memory.

CAMPBELL HERE NEXT WEEK

THIRD DISTRICT CONGRESSMAN WITH COUNTY CANDIDATES WILL MAKE COMPLETE TOUR OF COUNTY.

TWO DAYS, WEDNESDAY AND THURSDAY

Republican Meetings Being Held Now Every Night and Will Continue 'Till the Game is Over Nov. 7. Prospects are Best Ever.

If a single Republican candidate in this county is in any particular danger of not winning out, it is not apparent now and as election day approaches party lines are being tightened and the prospects grow brighter.

Good meetings have been held every night this week and not a night will be missed from now until election. Monday night a crowded house at Bartlett listened to a brilliant address by Hon. Alf Williams, of Columbus. Tuesday night an overflow house at Labette heard Judge Clark and the other county candidates. Some disappointment was occasioned there, however because the date of A. M. Keene was substituted by the State Committee with Rev. Mueller, of Chanute. At Liberty school house Wednesday night a good audience listened to fine addresses by O. Gossard, E. C. Clark and Judge Thompson and the other county candidates. Many misrepresentations by the opposition are being straightened out. The voters want the facts and are content to be governed by them.

Hon. P. P. Campbell will be in the city two days the coming week, Wednesday and Thursday, and will make a tour that will cover every town in the county. The county candidates will be with him and arrangements are being made at all stops to have one of the best meetings of the campaign. He will be in Parsons Wednesday night at the Elks Theatre, and in Oswego Thursday night at the Grand. A well known traveling man who makes this city, made a trip of 60 miles Tuesday night just to hear Campbell, and he says it is the finest thing he ever heard. Don't miss hearing him while in the connty.

On Wednesday night, the 25th, J. A. Troutman, one of the best public speakers in Kansas, will be at Chetopa, and

PARSONS WON GAME

With Earl Hamilton of This City in Box Won From Coffeyville Sunday by Score of 1 to 0.

EARL HAMILTON.

The fact that Sunday was a bad day was all that kept a large number of base ball fans from seeing the game at Coffeyville that afternoon between Parsons and the Coffeyville team. Those who braved the elements and went were well repaid. The game was a fast one, the score being 1 to 0 in favor of Parsons. Earl Hamilton, of this city pitcher for the St. Louis Browns, was in the box for Parsons and Walter Johnson, of the Washington Americans worked for Coffeyville. The former struck out 12 men and the latter 15. Chas. Milliken, also of this city was in the Parsons lineup and made a hair-raising catch which made the shut-out possible and was also handy with the bat.

An effort is being made to arrange a game at Parsons between the same teams.

Popular Young Folks Marry.

Clarence Gore, one of the popular salesmen in Gossard's store, and one of the best known and most highly respected young men of the city, took all of his many friends by surprise Sunday by announcing the fact that he was married.

The happy event transpired at Independence Saturday afternoon, the bride being Miss Edna Adams, of near Bartlett, and the friends of neither of the contracting parties had been taken into their confidence.

In the afternoon at 3 a general meeting will be held, will be addressed by a speaker whose name will be announced later. Not that we do not know his name but just to hold your interest. This will undoubtedly be one of the most interesting meetings of the Conference, and one that no one can afford to miss.

Sunday evening, a union meeting will be held at the Presbyterian church and will be addressed by M. J. McKnight of Parsons. Mr. McKnight is a polished talker and is up to the minute on present day problems. This is the last meeting of the conference.

PRESIDENT OF R. S. A.

MRS. SADIE V. HOLMES OF THIS CITY HONORED WITH HIGHEST OFFICE IN GIFT OF STATE REBEKAHS.

OFFICE OF IMPORTANCE AND RESPONSIBILITY.

Receptions and Lavish Eentertainment in Whichita Where State Meeting Was Held and Where Odd Fellows Met Also.

At the state meeting of the Rebekah State Assembly of Kansas, held in conjunction with the Grand Meeting of Odd Fellows of Kansas, at Wichita last week, Mrs. Sadie V. Holmes of this city, was installed as State President. This is the highest office within the gift of the state organization and carries with it an honor that would be much coveted by any lady in the land.

Mrs. Holmes has been prominent in the State Assembly for several years and the honor of being made President is not only merited, but is placed where it will rebound in much good to the order in Kansas.

William Willis, of Wichita was elected Grand Master of the Odd Fellows and what was termed the Willis-Holmes reception was given in the Masonic Temple. Wichita papers report that the decorations were gorgeous, the banquet room having been transformed into a summer garden, with the orchestra hidden behind a screen of green foliage, while japanese lanterns shed their glow through boughs of foliage over the quartet tables where the guests banqueted.

Mrs. Holmes was the recipient of many beautiful and expensive gifts from admiring friends from all parts of the state, and was literally submerged in flowers that came from every section of the jurisdiction. At the reception she stood in the receiving line for three hours. Dainty ivory covered souvenirs containing the autograph of the state officers, were received by all who attended the reception.

With the coming of the office of State President, two of the other state offices came to Oswego also. Mrs. B. S. White was appointed Inside Guardian, and Mrs. M. C. Gillon, is on the committee on Election Returns.

In the Odd Fellows Grand Lodge, J. A. Holmes, was made Inside Guard.

Ed Grant and family of near Oswego were in the city Saturday night. While there is nothing unusual about their visit, it recalls an almost forgotten incident to me. Mr. Grant, who tilts the scales about midway between zero and 500 pounds—avoirdupois and good nature in equal parts—saved the writer from having his intestines removed and scattered all over the country some years ago by an irate reader of the Pleasant Valley items in this paper. Ed will please accept these remarks as thanks for services rendered, and not as a bid for a ride in his automobile.—Chetopa Advance.

HATS OFF TO FINANCE COMMITTEE

Something unheard of has been accomplished by the Finance Committee of "the Fourth of July and Home Coming Celebration." On last Wednesday afternoon, Messrs. Nance and Porterfield members of the committee started around town with the old subscription lists, and upon their approach, each person approached immediately became busy, either in some apparent duty or with the preparation of some tale of woe, but marvelous to relate they presented each subscriber to the fund, with a rebate of forty per cent.

This is the first time in our memory that such an act was ever performed, usually it is the reverse. The subscribers have had to make good a deficit. All bills were paid and this committee were able to make the refund. Hats off to the committee which consisted of Messrs Nance, Porterfield and Marley.

CAMPBELL ON THE DEFENSIVE

Assailed by William S. Hyatt, Mr. Campbell Tries to Explain

That P. P. Campbell, republican congressman, is on the defensive is evidenced by the "squak" emitted by his campaign manager in a letter to the Pittsburg Kansan, complaining that Mr. Campbell opposed the Farm Loan Law, etc.

Attention is called to page 8523 Congressional Record of May 6, 1916, upon which appears the remarks of Mr. Campbell in a speech against the Farm Loan Bill upon the floor of the House in Congress.

We would also call attention to page 3336 Congressional Record of February 5, 1915, showing that when the Child Labor Bill was up for discussion, and upon motion to suspend the rules and pass the bill. Mr. Campbell very conveniently absented himself: page 4547 Congressional Record (permanent binding) March 1 1913, showing Mr. Campbell voted "Nay" on the Workmen's Compensation Bill, also page 6778 Congressional Record, (temporary issue) May 4. 1912, showing Mr. Campbell was present but declined to vote on the Anti-

PARSONS

It transpired that the funds for the Katy Meet were ample and that there was a sum remaining after all the bills were paid which would be a substantial starter for any future entertainment. It is probable that the Katy Meet will go to Denison next year.

Lee Meadows, editor of The Daily Republican, has filed a petition in the district court for a divorce from Flora Meadows. His wife was abusive so he claimed, and did other things unbecoming the affectionate wife.

S. B. Elledge and I. D. VanMeter, of this city, will address the Kansas State Butchers Association which which meets in Fort Scott, Oct. 16-17.

It is planned to erect a commodious bank building for the Parsons State Bank on the site of the building now occupied by Lambert and Duffy's clothing store immediately following the expiration of the two year lease held by those gentlemen on the present building. This proposed action became known this week.

Paul Kimball, Republican candidate for state senator, has been sick for some time.

W. L. Sprague and H. R. Joy are constructing a building on west Main preparatory to entering the feed, flour coal and grain business. Mr. Sprague has lived on a farm near this city for some years and Mr. Joy comes to Parsons from Iowa. The style of the firm will be W. L. Sprague & Co.

Seven precincts in Parsons use the double election boards in the November election.

David Smith for 3 years a resident of Parsons, died Saturday after a protracted illness. He was born in Canada in 1849 and came to Kansas years ago. A widow and three children mourn his death.

A Katy fireman, Giulford Bolanges, aged 28 years, was killed by a freight Sunday evening. When found he was under a string of cars and it was apparent that the train passed over his abdomen and chest. He was called for 7 o'clock and left home prior to that time. It is presumed that in attempting to climb over a car he was thrown off by a sudden jerk of the train.

OSWEGO DEFEATED

Fredonia smothered Oswego under 57 to 6 score at Fredonia last Friday. Almost the entire Fredonia attack was centered in line plunges and short end runs, which Oswego was not able to check. Their "backs" shielded by almost perfect interference, had little trouble in crossing the goal lines for nine touch downs. Out of their nine touch downs there were only three kick off successful. They had little success with the forward pass and seldom attempted it. Tumbles and eratic playing by Oswego aided them in piling up score.

Oswego was seldom able to gain through the the Fredonia line and resorted to open play, which in turn was not successful. Oswego's score came in the second quarter when W. Burris went fifty yards through the Fredonia field for a touch down. He failed to kick goal. Friedel, Burris, Hutton, Hellwig and Swanwick showed well for Oswego.

Oswego plays Columbus here Friday and intends to win. Come out and see the game.

D. S. ROMINE IMPROVES

The many friends of David S. Romine in Labette County, will be pleased to know that he is improving steadily, and hopes soon to be able to come home. He is receiving the very best attention at the new St. John's Hospital in St. Louis.

C. Gillon, who tenderly and lovingly cared for her father.

Last Wednesday Mr. Hendricks was taken quite suddenly ill, and on Monday morning of this week, at 8:15 o'clock he passed away, age 75 years, 11 months and 1 day. At his bedside were all of his children, who had been called during the few days of his illness. They are, W. J. and G. W. Jr., and Mrs. Gillon of this city; Mrs. O. O. Mitchem and John H. Hendricks of Bartlesville, Okla.; Mrs. H. V. Kengle, of Enid, Okla.; and Mrs. W. B. Lance, of Pittsburg, Kansas.

In the passing of Judge Hendricks, as he was better known, Oswego and Labette County looses one of the best citizens and most honorable men. He was a noble, good man and enjoyed a large circle of friends. His familiar figure will be greatly missed in the many walks of life. Everyone, young and old, knew him. He had some word of greeting for every body, and his jovial manner drew people to him. He was a friend of all.

Besides the seven children who survive, there is a step-daughter, Mrs. Catherine Hood, of Coulterville, Ill., who was present at the funeral, also several grand children and great grandchildren.

Funeral services were held from the residence on Wednesday afternoon, October 18th, conducted by the I. O. O. F. Lodge of which he had been a member for many years. Favorite songs were sung by a quartette composed of special friends of the family. Judge Nelson Case spoke a few words, paying high tribute to the deceased, whom he had known for many years. The I. O. O. F. and Rebekah lodges and G. A. R. Post, all of which he was a member, attended the services in a body, marching in the funeral procession for several blocks, then entering auots where they were taken to the cemetery. Friends came from far and near to pay their last respects to Mr. Hendricks. Many of them knew him while he lived in Illinois. All speak of him as a man of high ideals, always honest and upright in all his dealings and a true friend to all.

Interment was made in the Oswego Cemeterf. Services at the grave were also conducted by the I. O. O. F.

Upon investigation it was found that Mr. Gore and Miss Edna Adams, of Fairview township, daughter of Mr. and Mrs. W. N. Adams, had gone to Independence on last Saturday, where they were united in marriage.

They will be at home in a short time in the Gore property in the east part of town, recently vacated by Mr. and Mrs. Arthur Gore. Mr. Gore has been employed in Gossard's hardware store for a number of years. He is a capable, industrious boy, and enjoys the friendship of all. He is the youngest son of Mr. and Mrs. Will Gore of this city. Mrs. Gore is one of Labette County's most successful school teachers and we welcome her to our midst.

HON. BUEL WOOD SPEAKS

Monday evening, October 16, the court house at Oswego was packed to the doors to hear the Hon. Buel Woo of Carrizoza, New Mexico, recite the history of the Mexican Border troubles. Mr. Wood was appointed by the government to defend the Villa Bandits during their trial for murder of citizens of Columbus, New Mexico and in that way was enabled to get the inside facts of the raid heretofore unknown to the public.

Mr. Wood is an able talker and knowing all the facts in the case he kept his audience in an attentive mood from start to finish. His history of the Mexican question was a lesson in itself and those who did not hear him missed a treat.

Injured While Diving.

Last Sunday morning about 10 o'clock, Otis Spangler, who has been working on the Deming ranch met with a very serious accident, that may prove fatal. He with other employes on the ranch were down at the river when he decided to dive in the water and take a swim, he dived in where he the water was only six feet deep and struck, presumably, a log in the water which he did not see, hitting the top and back of his head. He came to the surface and the third time was rescued by his companions who took him to the boarding house at the ranch where he was resuscitated. An examination was made and there is an injury on the top of the head and it is also feared the spinal column is injured, as he is paralyzed from his waist down and also in his hands, and only at times he is conscious or rational. Grave fears are entertained for his recovery as his condition is considered critical. His brother Elza arrived Wednesday night from Enterptise, Kans., and is administering to his wants.

Oswego defeated South Mound at the ball game here Thursday by a score of 12 to 0.

A Good Woman Gone.

Mrs. Nancy Hendricks, wife of G. W. Hendricks, died at her home in Oswego, Tuesday Aug. 13th, 1907, at 1 o'clock a, m, aged 72 years, 6 months and 21 days.

Mrs. Hendricks had been in poor health for some time, but a week previous to her death she suffered a paraletic stroke from the effects of which she never recovered, but grew weaker until she peacefully fell asleep to awake in a brighter, happier world.

The funeral services were held on Wednesday afternoon at 2 o'clock from the M. E. church, conducted by her pastor, Rev. Jones, and the interment was made in the Oswego cemetery.

Deceased was born in Lauderdale county, Ala., Jan. 22, 1835. In 1847 she moved with her widowed mother to Illinois, and in 1850 was united in marriage with A. D. Crain, who died ten years later. She and G W. Hendricks were married Dec. 22, 1861. They moved to Labette county in 1883, and settled in Oswego in 1887, where they have ever since resided. She was the mother of fourteen children, six of whom are dead and eight survive her. All the children were present during the last illness and at the funeral of their mother, as were also several grandchildren and two cousins Mrs. Margaret Wilson of Mineral and Mrs. J. H. Crain of Halllowell. An aged sister who resides in Illinois was unable to be present.

The children are, Catherine Hood, of Perry county, Ill., Mrs. M. C. Gillon of Oswego, W. J. Hendricks of Mc Cune, Ella A. Mitchem of Pittsburg, Alice E Kengle of Enid, Okla., Mary A. Lance of Pittsburg, J. H. Hendricks, Lamont, Okla., and G. W. Hendricks of Crawford county.

Mrs. Hendricks was a kind and obliging neighbor, a true friend, a loving and devoted wife and mother and an earnest Christian woman, She had been a member of the M. E. church since a young girl and was a member of the Oswego church, living up to the teachings of that church, and died with a bright hope of an eternal life. All who knew her loved and respected her for her real worth and beautiful Christian character. An aching void is left in the hearts of the bereaved relatives that only time can heal, but she left them a rich legacy—the example of a Christian wife and mother who always tried to make home happy. Many friends extend to the bereaved relatives their heartfelt sympathy in their sorrow and deep affliction.

Why Lose the Buoyancy of Youth? Whether Young or Old—Every Woman May Be Healthy.

To look well and feel well, you must be well. To do this, you must keep the mechanism of your body in perfect running order.

A woman's constitution is far more intricate and delicate—more easily injured and disarranged—than the mechanism of the finest watch. Yet no one would think of allowing a watch to get all out of order before repairing or cleaning it.

How many young ladies there are, who pay no attention to the first symptoms of diseased organs. Pains in the back, head abdomen, right or left side and sometimes in the hips and lower limbs. Tised and languid feeling in the morning; wornout and distracted nerves, leading to a cross and petulant disposition. Natural color fading from the cheek, the light and lustre from the eye, the once pleasant smile from the face—all these going or gone. What does it mean? Simply that some one or more of the delicate organs are not performing their work as they should. Nature needs some assistance. The Tariff Tax on Necessities

It is instructive to compare domestic and foreign prices of those things that are essential necessities in all families of moderate circumstances, and most of them even among the comparatively poor. Here are ten comparisons, based on investigations and formulated averages made by the Boston Herald, and relating in each instance to articles of the same quality:

	Abroad	U. S.
Sugar, lb., wholesale.	$ .03	$ .05
Common meats, lb.	.08	.12
Bread, loaf.	.03	.05
Fall River print, yard, wholesale	.037	.15
Hosiery, dozen, wholesale.	1.00	2.24
Table napkins, dozen.	2.00	4.00
Cotton and wool dress goods, yard.	.25	.75
Silk and cotton mull, yard.	.08	.20
Felt hats.	1.50	4.00
Suit clothes.	15.00	30.00

The average excess of American prices over foreign prices in this table is 99½ per cent, a fraction less than double. Yet if the tariff were removed the consumers would get the benefit without injury to the legitimate interests of any line of business or any class of people. If this excess which is a virtual tax, levied for the benefit of the trusts—as the retailers do not get much of it—were imposed in the form of a direct tax, demanded in the form of internal revenue stamps sold to the consumers, how long would it be tolerated?—Kansas City Star.

The man who has his home on the farm should take pride in having his home town a good living place, fully up to date and progressive, and with good schools and churches' says the Cass County (Mo). Democrat. The town is for those who reside within its limits. It is toward the town

Oswego College.

The College will open on Tuesday Sept., 3 at 9 a. m. The indications point to a large attendance and increased interest in the school.

Especial pains will be taken in the provision for the younger children in the grammar grades, and careful supervision will be provided for them.

All the College classes show that excellent work was done, and the pupils for the most part will take up the work of new studies in Sept. The work in expression and in Instrumental and Vocal music will be more extensive than last year. Many of our pupils are doing advanced work.

Our art department will be especially strong. Plans are made for a morning session on Saturday which can accommodate many pupils who cannot attend during the week.

It is probable that a separate time will be made for persons desiring to take china painting—now that the china can be fired at home in Oswego, there is no reason why our citizens should not have their own beautiful dishes. It is hoped that pupils for any department will register as soon as possible so that ample plans can be made for their work.

OBITUARY.

DIED—At her home in Oswego, Kansas, at 1 o'clock a. m., Tuesday, Aug. 13, 1907, Mrs. Nancy S. Hendricks, aged 72 years, 6 months and 21 days.

When stricken with paralysis several days ago, relatives from a distance were summoned to the bedside of Mrs. Hendricks for all realized that the end had come. She rallied occasionally and greeted them, then sank into an unconscious state, and finally passed peacefully away. Her life had been one of usefulness. As the mother of a large family she fulfilled her duties in a manner that showed the promptings of a noble nature. As the wife of Geo. W. Hendricks for over forty-five years she proved the joy and comfort of his home, always kind and companionable. She was one of the old settlers of the county and many friends attended the funeral in respect to her memory and mourn her death.

Rev. L. S. Jones conducted funeral services Wednesday afternoon at the M. E. church, of which the deceased was a member, aud interment was held in Oswego cemetery.

Mrs. Hendricks leaves a husband and eight children, all of whom were present at the funeral, and including other relatives made forty-three in attendance. The children are Mesdames O. O. Mitchem and Lance, of Pittsburg; William and George Hendricks, living near McCune; John Hendricks, living in Oklahoma; Mrs. H. V. Kengle of Enid, Oklahoma; Mrs. Kate Hood of Illinois; Mrs. M. C. Gillon of this city.

Charles A. Emler, died at the home of his sister, Mrs. J. A. Jones at Altamont, Kans., Sunday at 8:30 o'clock p. m., August 11, 1907, of paralysis, aged 46 years, 6 months and 22 days.

The news of "Crip's" release would be hailed with delight by a number of Oswego citizens and those residing in the vicinity. It has been almost impossible to secure a bottle of beer in this vicinity for months, and the present dry and hot weather makes it doubly trying to habitual users of the vinous extract. With "Crip" on the outside, it is believed by some that possibly the situation might be relieved.

TIMBER HAS MANY USES.

Value of Standing Wood That Has Been Through Flames.

The traveler who has wondered why some use is not made of the timber that has been fire-killed all over the country will be interested to learn that the United States forest service at the University of Washington, Seattle, has discovered a means of utilizing this timber, which in the past has largely gone to waste. In testing fire-killed timber—that is, timber which had its bark destroyed by a fire not severe enough to entirely consume the tree, and which left it standing—it was found to be thoroughly sound and, to all intents and purposes, thoroughly seasoned lumber. It was determined that if such lumber is cut within the first year after it is injured it can be used for any purpose for which the original wood is satisfactory, but if allowed to stand the timber checks so badly that it cannot be worked up to advantage. It has also been disclosed by investigations undertaken that good railroad ties have been made from timber that in some instances was killed 50 years ago.—Philadelphia Record.

A FASHION FROM WAR.

How Flat Watches Took Place of the

CAUGHT THE FAIR CULPRIT.

How the Naval Officer Recovered His Lost Buttons.

It happened on one of the United States cruisers now at Hampton roads, says the Washington Herald. A lieutenant having met two very charming ladies while ashore, invited them on board for luncheon. They came and were shown over the ship. They lingered long in the lieutenant's room, which was daintily furnished, and they admired his photographs of home. When he was summoned on deck he left them there. Returning, he took them to luncheon and, having to go on duty in the afternoon, he excused himself so as to get into uniform. Alas! he found that every button on his best coat had been cut off and then he remembered that one of his fair guests has been rather importunate on the souvenir question. He got her alone after luncheon and accused her of the theft and after some prevarication she confessed that the buttons were in her corsage. With some firmness the lieutenant led the culprit to his cabin, pointed silently to the denuded coat on the bunk, produced needle and thread and, going out, locked the door on the outside. in a year or two thereafter removed from the county. I understand he has since attained a good standing at the bar. John Hamblin read law with Nelson Case and was admitted to the bar in 1875. He soon thereafter went to California. W. R. Moore was a valuable citizen of Montana for many years. He read law with Mr. Waters and Col. Davis, and was admitted to the bar in 1876. He afterwards moved to McCune. William Horsfall came from North Carolina, where he had been admitted to the bar and was admitted to practice here in 1877. Soon after this he entered the Episcopal ministry. A. B. Hammer had practiced law in Illinois. He was admitted to our bar in 1873 but never entered upon active practice here. I have heard he has been a practitioner in the territory of Oklahoma for several years. A. B. Hacker was admitted to the bar of the county in 1879 but he never had any practice. Thomas H. Bruner was admitted in 1880 on certificate of admission from Indiana. He never had any business in our courts. Joseph A. Gates was admitted in 1873. He had some practice for several years but was better known as a justice of the peace than as a practicing attorney. He was not without ability, but he did not seem to be able to make a lawyer. Samuel C. Elliott read law and was admitted to the bar in this county, but he at once went to Independence and engaged in practice; there he made a fine record until insanity compelled his confinement in the asylum. A. G. Drake has been an honored citizen of Chetopa for many years. He was admitted to our bar in 1876, but never engaged in active practice. He is an efficient office man. L. F. Fisher came to Chetopa in the spring of 1869, but did not remain long enough to develop the ability he had nor to make any reputation as a lawyer. George W. Hendricks came from Illinois and settled at Labette and afterwards removed to Oswego. He has done some practice, but has given most of his attention to the duties of justice of the peace; he has served several terms in that position and has become an adept. Ira F. Adams, of Parsons, has not entered the general practice, but has done legal and clerical work in a loan office for a number of years. S. E. Ball, of Howard township, was admitted to the bar in 1878, but never did any legal business in this county. Alvah Shick, of Mound Valley, was getting quite a nice local business when he died. C. A. Wilkin came here when a boy, read law with Mr. Kelso, and was admitted to the bar in 1875. Abandoning the active practice of the law, he has for many years been engaged in the more lucrative business of abstracting and he is considered an authority on matters in that line. Ira C. Mitchell resided in Oswego but a few months, but was here long enough to convince the profession that his abilities were sufficient, were he to use them, to make him an ornament to the bar. But he was so addicted to drink that no one was sure that he would be in condition to attend to business when needed, and all confidence in his professional success soon vanished. He was admitted to our bar in 1876, and was for some time a partner of Col. Davis.

J. E. Bryan had a varied experience in Kansas. He preached at Chetopa before the Civil war, was pastor of the Methodist church in Oswego in 1871, afterwards read law and was admitted to the bar in Allen county, was a county officer there, returned to Labette county and was admitted to the bar in 1878, settling first at Chetopa and afterwards at Oswego, and went from here to Arkansas in 1885. While here, in addition to practicing law he edited the Oswego *Independent*. Mr.

Death of Mrs. Merty D. Gillon

Mrs. Merty D. Gillon, wife of Elbert Gillon, died at her home in this city Wednesday night, Sept. 18, 1929, at 9:25 o'clock, aged 40 years and 13 days.

Merty D. Bringle was born in Oswego, Kansas, Sept. 5, 1889. and has lived all the time in Oswego except a few months. . One of the most enthusiastic meetings held in the entire area was i Erie, late last week when sixty farmers and business men ate suppe together to discuss the project wit Mr. Jeffords and Mr. Hedrick. Abou six passengers are going from th Erie district.

Facing the problem of changin the method of agricultural development in Southeastern Kansas, th trip into Iowa, Minnesota, and Wisconsin, is said by authorities to b one of the best investments that ca be made for this district. The entire week given over to the study o the dairy conditions up in the mos prosperous communities in the Unite States should enable prospectiv dairymen and farmers in this community, to improve their herds an to learn methods of farm management and crop rotation as practice in a country that twenty-five year ago was faced with the same problem that Southeast Kansas is nov up against.

Chickens, hogs, beef cattle, dair cattle, crop rotation, farm management, modern farm homes, co-operative dairying, and marketing of other farm crops are some of the thing that will be studied by leading farmers and business men from Southeas Kansas. And while they are learning, they are being told not to mis a chance to tell the young dairy farmers up there who are looking for cheap land that one million dollar has been pledged as credit by bank of Southeast Kansas for the financin of experienced and capable men wh want to come down here to see homes. The arguments put up t them will be that in this countr there is much longer growing seaso for the food crops, mild winters, requires less feed and less invested i barns and other buildings then in th North. Land is plentiful and chea located on surfaced roads. These advantages combined with electricit and natural gas on the farm mak Southeast Kansas an attractive plac for those who want to forge ahea

MOVE TO PUSH HIGHWAY NO. 73

Meeting at Vinita Monday Night Enthusiastic. Hope to Push Surfacing South of Chetopa to Completion

The following account of the Highway 73 meeting at Vinita is taken from the Vinita Daily Journal:

The meeting of the road delegates from the various towns along highway 73, held at Elks hall last Monday evening was attended by an enthusiastic group of men, who discused road conditions of the past and present, who accomplished the aims of the meeting and practically assured a hard-surfaced highway throughout Oklahoma in the very near future.

Howard Waddell, president of the chamber of commerce, called the meeting to order following a sumptuous banquet of chicken, gravy, potatoes, pork and beans capped with pumpkin pie covered with whipped cream.

Mr. Waddell turned the meeting over to E. Bee Guthrey, secretary of Highway 73 association, who immediately explained the purpose of the meeting, namely: passing a resolution asking the grading, draining, and graveling of Highway 73 north from Vinita to the state line; and to adopt some method of advertising Highway 73 throughout the United States.

Several speeches were made regarding the highway, chief of which were talks by Mr. Hagrower of Muskogee; A. H. Noyes, Parsons; W. W. Brown, Parsons; Mr. Woodroof, Pryor; Sig. Lehman, Chetopa; Jim Karns Fred [illegible], of Oswego.

Joe [illegible] prepared a resolution, which read as follows: Be it resolved by the delegates here assembled that the state highway commission of the [illegible]

Columbus Rotary Club Was Host to 230 Rotarians at the Columbus Country Club Last Wednesday Evening

One of the best inter-city Rotary meetings held in this district was the one held at Columbus last Wednesday night. Grover James, well known Joplin Attorney, acted as toastmaster and kept the bunch in fine humor with his quips and banter. He took speciila delight in roasting "Swede" Carlson and Dan Ohern, who when their time came to speak, handed it right back at him with interest.

District Governor "Rick" Fillmore was also present, thus the meeting was honored by a district president, a past district president and two members of the board of directors of Rotary International.

Among the participating clubs in this inter-city meet were, Miami, Parsons, Joplin, Independence, Coffeyville, Carthage, Oswego, Vinita, Ft. Scott, Pittsburg and Columbus.

Those attending from Oswego were Chas. Woolven, Ed Sauter, Dr. D. B. Fordyce, Ernest McKinney, Denzil Morning, J. C. Carpenter, Clarence Montgomery, Dr. F. J. Faulkner, E. W. Columbia, Goldie Davenport, R. H. Montgomery, J. H. Karns, Lester Gatewood and Sam Carpenter.

PREDICTS LIFE SPAN TO CENTURY MARK

Dr. E. E. Liggett Forsees an Average Lifetime of 100 Years in future with Constant Improvement of Medical Science

Dr. E. E. Liggett, prominent local physician and surgeon, is an interesting discussion of the development of medical science before the local Rotary Club last Tuesday, predicted a life span of 100 years in the not to far distant future..

This will be brought about by the application of the scientific knowledge which is constantly being added to by medical science and the education of the race to the necessity of preventive measures.

Giving proof to his assertion, the Doctor cited the progress made by medical science during his 48 years as a practicing physician and surgeon. Forty-eight years ago, said he the average life span was 33 years. The past forty-eight years has seen medical science lengthen this span to 55 years, or more than 22 years had been added in the past 48.

Doctor Liggett gave credit to the wonderful system of education that the medical profession has perfected, and to the general education of the public for this phenomenal progress in lengthening the life span.

Describing the old manner in which a doctor obtained his education, he said, the prospective student selected a doctor as his preceptor, and hired out to him as an apprentice, doing odd jobs around the office in return for an opportunity to study from the doctor's books and pick up what information he could. After 18 months of this apprenticeship he attended a doctor's school for about five months a year for two years, after which he was supposed to be a doctor. Only about ten per cent of this class of doctors turned out to be really high

OSWEGO WINS FROM RECLAIMS

Oswego Merchants Ball Team Went To Parsons Sunday and Won Over Reclaims by Score 7 to 4

The Oswego Merchants journed to Parsons last Sunday where they won over the Reclaims in a hot contested game with a score of 7 to 4. The Reclaims will come to Oswego for a return game on Sunday, Oct. 6

One of the longest hits in years on the Katy diamond came in the second when Medlar uncorked a circuit clout over the fence at a point half way between center and right field playing positions.

Souders came up in the fifth for a scratch circuit clout. With two strikes and a ball as the count he laid the wood for a liner over Sauters at third. Webster in left field tried for the bounding ball, and Souders was almost home before "Webby" recovered the ball.

Andrews allowed eight hits, but kept them well scattered, and in only one inning did the Reclaims get more than one bingle. Andrews struck out five batsmen.

Clary, who played second base for the visitors, could well have been lariated to the sack, so far as the Reclaims were concerned.

Oswego could just as well have left Medlar at home—it would have been more satisfactory to Jimmy Reed's clan. Medlar did a flock of hopping around to get camped under four flies to centerfield, to the complete chagrin of Lieber's nine. Adding insult to injury, Medlar up and pokes the pill for a homer, a single and a double, seasoned with a fielder's notice. Jones allowed nine hits and struck out nine men.

The Reclaims were held scoreless until the sixth, when Andrews weakened and a rally was on. The score

struct but 100 miles annually of high type road.

Mr. Grady then gave an interesting table showing how the revenue for the road work was obtained. From the 3c gasoline tax $7,500,000 is obtained annually, from auto licenses $4,000,000 and from federal aid $2,000,000. Mr. Grady estimated that for the construction of new roads the state would have approximately $6,000,000 annually after maintenance had been figured out of the total.

Regarding the effect the new law would have on this county, Mr. Grady stated that it would make practically no difference than formerly. Mr. Grady showed a thorough knowledge of the technical matters and statistics matters of the highway department and presented them in a clear, concise and easily understandable manner.

As the county assessors were meeting in Oswego Tuesday, the Rotarians invited them to attend the Rotary Club luncheon and the club's guests, together with the county commissioners and other county officials.

ROTARIANS LEARN OF NEW ROAD LAW

County Engineer John Grady Explains New State Highway Road Law and How it Effects This County

ASSESSORS AS GUESTS

County Assessors Meeting Here Were Entertained by Club

The local Rotary Club enjoyed one of the most interesting and instructive meetings held in some time this week, when County Engineer John Grady explained the new road law in detail. This law which has just been enacted, together with the amendments to the constitution, voted last fall which enabled these laws to be passed, changes our state road system entirely and places all state roads under the State Highway Department's jurisdiction and established a state system. Together with the 1c per gallon gasoline tax and federal aid it gives Kansas a good start on a real system of good roads.

Commencing at the beginning of the proposition, Mr. Grady explained the necessity of the constitutional amendment voted last fall which paved the way for the present law. Originally the framers of our constitution included a provision that the state never should be a party to any internal improvements. Thus the constitution had to be amended which was done by popular vote last fall. Thus the new administration and legislators were given to understand that Kansas wanted a state road system and wanted to keep abreast of the times in road construction.

The new law provides for the division of Kansas into six districts of nearly equal area, starting in the northwestern corner they are numbered one, north central district two, northwestern corner three, southeastern corner four, south central five and southwestern corner six. Each district contains from 16 to 19 counties

The story I am about to relate,
Happened in the Illinois state
In a tiny cottage humble and neat.
On or near Broadhollow street.
It was just sixty eight years ago
The ground was all covered with ice and snow
Two little girls arrived on the scene
It was Alice Elesibeth and Ella Adalene.
The family consisted of a girl and a boy
But these two little babes were welcomed with joy.
They were thought the nicest that ever were seen
Was Alice Elesibeth and Ella Adalene
As time passed on and they grew apace
Each had a [illegible] good looking face
One was stout the other was lean
Was Alice Elesibeth and Ella Adalene
Time went on another span.
Each one married a good looking man.
And life flowed on happy and serene
For Alice Elesbeth and Ella Adalene
Boys good and brave girls sweet and fair
Came to the homes of this dear pair
Each done her duty as she thought best
Trusting in God to do the rest.
And now we meet together each year
To celebrat with these sisters dear
To visit together, to keep memories green
With Alice Elesabeth and Ella Adalene

Long may they live and many their joys.
Honered and loved by their girls and boys
Living their lives so beautiful and Clean
Just Alice Elisabeth and Ella Adalene
And when their voyage of life is O'er
May they stand hand in hand on that beautiful shore
Knowing that Divine love "that power unseen,"
Will care for Alice Elisabeth and Ella Adalene.

GATEWOOD SERVICE

In Remembrance

THE Lord is my shepherd; I shall not want. He maketh me to lie down in green pastures: he leadeth me beside the still waters. He restoreth my soul: he leadeth me in the paths of righteousness for his name's sake. Yea, though I walk through the valley of the shadow of death, I will fear no evil: for thou art with me; thy rod and thy staff they comfort me. Thou preparest a table before me in the presence of mine enemies: thou anointest my head with oil; my cup runneth over. Surely goodness and mercy shall follow me all the days of my life: and I will dwell in the house of the Lord for ever.

COPR. 1936 BY MESSENGER CORPORATION

MRS. M. C. GILLON DEAD.

Well Known Oswego Lady, a Resident Here For 37 Years, Had Been in Failing Health For a Year. Funeral Wednesday Afternoon.

Mrs. Matilda C. Gillon, 74, died at the family home on North Merchant street, Oswego, at 1:30 o'clock Monday morning, Dec. 7. She had been in failing health for a year and had been seriously sick for the past six weeks.

Funeral services were held at two o'clock Wednesday afternoon, Dec. 9, at the family home, conducted by Mrs Onda Young, as Reader. A large number of friends and neighbors were present to pay their last tribute of respect and esteem. Interment was in Oswego Cemetery in charge of the Gatewood Funeral Home.

Matilda C. Hendricks, daughter of the late Judge and Mrs. G. W. Hendricks, was born at Coldersville, Ill., Sept. 21, 1862. As a child she came to Labette county with her parents, and they located first at Labette City. About 37 years ago they moved to Oswego. Her father was a Justice of the Peace here for many years and also served as the Probate Judge of Labette county for two years, during which time Mrs. Gillon, was his clerk in the office. In this capacity she came to be well known over the county and made many friends.

She is survived by one son Elbert Gillon, of Oswego; three brothers, Will Hendricks, Oswego; John Hendricks, Oklahoma City and George Hendricks, who lives in Colorado, and by three sisters, Mrs. W. B. Lance, Pittsburg, Kansas; Mrs. Harry B. Kingle, Enid, Okla., and Mr. O. O. Mithen, Iola, Kansas, and by three grandchildren, and hosts of friends.

Mrs. Gillon had been a member of the Christian Science church, and an active worker there for years. She had also been very prominent in her younger years in the Rebekah Lodge here.

Was Former Oswego Boy.

Mr. and Mrs. John Hendricks of Oklahoma City came last Saturday morning to attend the funeral of the late Mrs. J. T. Laney, held Saturday evening. Mr. Hendricks had known Mrs. Laney and her late husband, J. T. Laney, back when they all lived in the state of Illinois and also knew Mrs. Laney's father and mother and esteemed them most highly.

Mr. Hendricks was a former Oswego boy. He and the late Will Hendricks were twin sons of a former Probate Judge of this county, G. W. Hendricks and Mrs. Hendricks in whose family there were three sets of twins, and of which family he is now the only surviving member.

FRIDAY, MARCH 8, 1940.

Former Resident Dead.

Relatives here have received word of the death of Mrs. Harry Kengle the first of the week at her home in Enid, Okla. Mrs. Kengle was formerly a resident of Oswego but has made her home in Enid for a number of years. She was a sister of the late Mrs. Gillen of this city.

Dear Clara:-

Your letter rec'd and so sorry to hear of your Mother being so sick - want you to drop us a line often telling us how she is. Bill and George are both away working in the harvest and we have a cow and some chickens so you see I am kept pretty close. Aunt Ella was here and she said if her son - William could get his vacation at the time

she would come to the anniversary would drive through in her car and would bring me too. She thought we could drive it in two days. John said he could not get off right now. and I have not heard from Alice for some time —

Do hope Sister Katie is much better by this time

Please let me know

Lovingly Aunt Sis

Well Known Oswego Lady, a Resident Here For 37 Years, Had Been in Failing Health For a Year. Funeral Wednesday Afternoon.

Mrs. Matilda C. Gillon, 74, died at the family home on North Merchant street, Oswego, at 1:30 o'clock Monday morning, Dec. 7. She had been in failing health for a year and had been seriously sick for the past six weeks.

Funeral services were held at two o'clock Wednesday afternoon, Dec. 9, at the family home, conducted by Mrs Onda Young, as Reader. A large number of friends and neighbors were present to pay their last tribute of respect and esteem. Interment was in Oswego Cemetery in charge of the Gatewood Funeral Home.

Matilda C. Hendricks, daughter of the late Judge and Mrs. G. W. Hendricks, was born at Coldersville, Ill., Sept. 21, 1862. As a child she came to Labette county with her parents, and they located first at Labette City. About 37 years ago they moved to Oswego. Her father was a Justice of the Peace here for many years and also served as the Probate Judge of Labette county for two years, during which time Mrs. Gillon, was his clerk in the office. In this capacity she came to be well known over the county and made many friends.

She is survived by one son Elbert Gillon, of Oswego; three brothers, Will Hendricks, Oswego; John Hendricks, Oklahoma City and George Hendricks, who lives in Colorado, and by three sisters, Mrs. W. B. Lance, Pittsburg, Kansas; Mrs. Harry B. Kingle, Enid, Okla., and Mr. O. O. Mithen, Iola, Kansas, and by three grandchildren, and hosts of friends.

Mrs. Gillon had been a member of the Christian Science church, and an active worker there for years. She had also been very prominent in her younger years in the Rebekah Lodge here.

FRIDAY, MARCH 8, 1940.

Former Resident Dead.

Relatives here have received word of the death of Mrs. Harry Kengle the first of the week at her home in Enid, Okla. Mrs. Kengle was formerly a resident of Oswego but has made her home in Enid for a number of years. She was a sister of the late Mrs. Gillen of this city.

Was Former Oswego Boy.

Mr. and Mrs. John Hendricks of Oklahoma City came last Saturday morning to attend the funeral of the late Mrs. J. T. Laney, held Saturday evening. Mr. Hendricks had known Mrs. Laney and her late husband, J. T. Laney, back when they all lived in the state of Illinois and also knew Mrs. Laney's father and mother and esteemed them most highly.

Mr. Hendricks was a former Oswego boy. He and the late Will Hendricks were twin sons of a former Probate Judge of this county, G. W. Hendricks and Mrs. Hendricks in whose family there were three sets of twins, and of which family he is now the only surviving member.

Well Known Oswego Lady, a Resident Here For 37 Years, Had Been in Failing Health For a Year. Funeral Wednesday Afternoon.

Mrs. Matilda C. Gillon, 74, died at the family home on North Merchant street, Oswego, at 1:30 o'clock Monday morning, Dec. 7. She had been in failing health for a year and had been seriously sick for the past six weeks.

Funeral services were held at two o'clock Wednesday afternoon, Dec. 9, at the family home, conducted by Mrs Onda Young, as Reader. A large number of friends and neighbors were present to pay their last tribute of respect and esteem. Interment was in Oswego Cemetery in charge of the Gatewood Funeral Home.

Matilda C. Hendricks, daughter of the late Judge and Mrs. G. W. Hendricks, was born at Coldersville, Ill., Sept. 21, 1862. As a child she came to Labette county with her parents, and they located first at Labette City. About 37 years ago they moved to Oswego. Her father was a Justice ot the Peace here for many years and also served as the Probate Judge of Labette county for two years, during which time Mrs. Gillon, was his clerk in the office. In this capacity she came to be well known over the county and made many friends.

She is survived by one son Elbert Gillon, of Oswego; three brothers, Will Hendricks, Oswego; John Hendricks, Oklahoma City and George Hendricks, who lives in Colorado, and by three sisters, Mrs. W. B. Lance, Pittsburg, Kansas; Mrs. Harry B. Kingle, Enid, Okla., and Mr. O. O. Mithen, Iola, Kansas, and by three grandchildren, and hosts of friends.

Mrs. Gillon had been a member of the Christian Science church, and an active worker there for years. She had also been very prominent in her younger years in the Rebekah Lodge here.

FRIDAY, MARCH 8, 1940.

Former Resident Dead.

Relatives here have received word of the death of Mrs. Harry Kengle the first of the week at her home in Enid, Okla. Mrs. Kengle was formerly a resident of Oswego but has made her home in Enid for a number of years. She was a sister of the late Mrs. Gillen of this city.

SISTER DEAD AT IOLA.

Will Hendricks, of This City, Brother of Mrs. O. O. Mitchem, Went There Saturday and to Bartlesville for Funeral.

Will Hendricks, of this city, was called to Iola last Saturday by a message apprising him of the critical illness of his sister, Mrs. O. O. Mitchem, 73, who died shortly after he arrived there at the home of her daughter, Mrs. Myrtle Groves. She had lived in Iola the past ten years, moving to that city following the death of her husband at Bartlesville.

Funeral services were held at 2:30 o'clock Tuesday afternoon at Bartlesville and interment was made in the White Rose cemetery in that city by the side of her husband.

Mrs. Mitchem was an early day Oswego girl, daughter of the late Judge and Mrs. J. W. Hendricks.

Was Former Oswego Boy.

Mr. and Mrs. John Hendricks of Oklahoma City came last Saturday morning to attend the funeral of the late Mrs. J. T. Laney, held Saturday evening. Mr. Hendricks had known Mrs. Laney and her late husband, J. T. Laney, back when they all lived in the state of Illinois and also knew Mrs. Laney's father and mother and esteemed them most highly.

Mr. Hendricks was a former Oswego boy. He and the late Will Hendricks were twin sons of a former Probate Judge of this county, G. W. Hendricks and Mrs. Hendricks in whose family there were three sets of twins, and of which family he is now the only surviving member.

Hello Mary,

I appreciated your email!
I was able to add some info to my genealogy based on it.

In case you would like to add a bit to your genealogy I have the following:

husband of Mary E. Kengle was **Claude** Adams
wife of George Lewis Kengle is **Nina Burkland b. Feb 22, 1890 died Nov, 1973 in Perryton, Ochiltree, TX**
David A. Kengle died in **Apr 28, 1965**

Harry Vincent Kengle, Sr. is found in the 1870 Lausanne, Carbon Co., PA census as 6 years of age. Do not know for sure if this is where he was born as he was of course not listed in an 1860 census.

I will attach a copy of the census record. Also will attach a couple of pictures of Harry Vincent and his brother Lansford and one of Harry by himself, as well as a postcard he and his borther Lansford sent to brother WW Kengle. Hope you enjoy!

BTW, in which state do you live? My father was born in Tulsa, OK (mother Vera Kengle, gfather William Wallace Kengle, brother of Harry and Lansford). We eventually moved to NC, which is where I now live.

I hope I have the correct email address. It was difficult to read on the genealogy website.

I just ran across your email on the genealogy forum website. My grandmother was a Kengle and I have the Kengle genealogy back to the the first Kengle who came to the US. I have the info you are asking about concerning Harry. Harry was my great-grandfather's brother. I have a couple of pictures of Harry and one of him and his brother Lansford,as well as a postcard from him to WW Kengle. I also have census reports showing Kengle family starting with Christine.

Please email me and tell me if you would be interested in copies of any of the things I have on the Kengle family or if you want more details about the family. For the time being:

Harry Vincent Kengle: parents Lewis Kengle, b - Oct 25, 1827 d - Oct 30, 1893 and Celinda Lentz, b- 1832, d -1881.
Lewis Kengle's father was Christine Kingle who came from Germany.

Celinda Lentz parents - George Lents and Mary Kibler

Mary Kibler parents - Philip Kibler and Mary Peterman

GREAT MOMENTS • GREAT PLAYERS • GREAT TEAMS

John F. Lance

A big-time coach who never left his small-town roots in southeast Kansas, John Lance coached college basketball from 1918 to 1963, becoming just the fifth collegiate coach to reach 600 career victories. Lance finished his career with a record of 644-345 in 41 years at Pittsburg State and four years at Southwestern Oklahoma State (1918-22). When he posted his 600th victory in 1960, Lance joined the ranks of Ed Diddle, Hank Iba, Adolph Rupp and Phog Allen as the only college basketball coaches to post 600 wins. Lance led Pittsburg State to a 47-game winning streak from 1929 to 1932, a collegiate mark that stood until the Bill Russell-led San Francisco Dons won 60 straight games from 1955 to 1957. Two of Lance's biggest victories at Pittsburg State came when he led the Gorillas to the championship of the 32-team All-College Tournament in 1940, defeating Oklahoma A&M in the semifinals and the University of Texas in the finals. Lance guided Pittsburg State to the NAIA National Tournament five times, where they finished third, and to 12 Central Intercollegiate Conference championships. He was inducted into the Helms Foundation Hall of Fame in 1967.

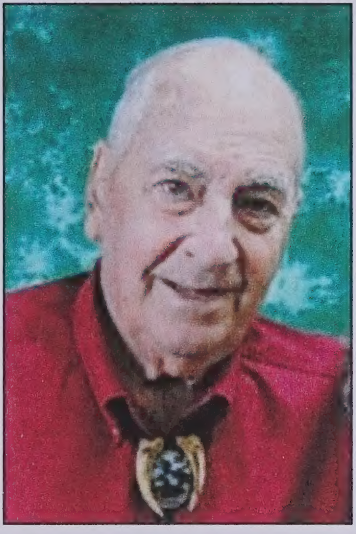
Dr. Raymond W. Lance

(September 25, 1922 - February 22, 2011)



Dr. Raymond W. Lance, 88, passed away on Tuesday, February 22, 2011, at his home in Pittsburg, KS. Raymond was born September 25, 1922, in Weatherford, OK, to Clara (Strickland) Lance and John Foster Lance. The Lance family moved to Pittsburg, KS, a few months after his birth. Raymond was a graduate of the class of 1940 from Pittsburg High School. He continued his education at the Kansas Teacher's College (now PSU), where he played basketball for his father. Upon graduating in 1943, Raymond joined the Naval V-12 program and enrolled at the University of Kansas Medical School in Lawrence, KS. There he was recruited to play basketball for KU by coach "Phog" Allen. After his first year in medical school the school moved to Kansas City, KS, where Raymond graduated with the class of 1947. After graduation he served his internship at Trinity Lutheran Hospital in Kansas City, MO. Dr. Lance practiced medicine in Elk County, KS, until he was called into service during the Korean War, serving stateside in Memphis, TN, Camp Lejeune, NC, and Montgomery, AL. He was discharged in 1954 and began practicing medicine in Arma, KS, until retirement. It was often said about him that "It wasn't easy, he just made it look easy!" Dr. Lance was a lifetime member of the First Christian Church and Crawford County Medical Society. Raymond married Merry Carol Sherman on December 25, 1945, in Pittsburg, KS, at the United Brethren Church. They were married 65 years. Betty Lance Binkley

(February 14, 1925 - June 16, 2004)

A memorial service honoring the life of Betty Lance Binkley will be held on Saturday, May 3, 2008 at two o'clock p.m. at Brenner Mortuary in Pittsburg.

Betty died on June 16, 2004 in Bethesda, Maryland from pneumonia after a nearly fifty-year struggle with Multiple Sclerosis.

Elizabeth Jean Lance was born on February 14, 1925 in Pittsburg, Kansas. Her parents were John F. Lance and Clara Strickland Lance. Her father, namesake for John Lance Arena, was the Hall-of-Fame honored basketball coach at Pittsburg State University ("PSU").

Betty grew up in Pittsburg with her sister Leota and brothers John and Raymond. She graduated from PSU in 1946. She had been Junior Class president, editor of the college newspaper, president of Theta Alpha Phi Drama Society, and the lead actress in all the plays at the college during her four years. She received numerous awards, including "The Alpha Girl of 1946" from Alpha Sigma Alpha and was included in "Who's Who Among Students in American Universities and Colleges."

After graduation, Betty taught drama and English at Roosevelt Jr. High School in Coffeyville, Kansas. She married John I. Binkley in 1947 -- and the couple moved to Denver, Colorado, where she distinguished herself as an English teacher and community activist.

In 1953, Betty gave birth to her son Lance. Three years later, she was diagnosed with Multiple Sclerosis (M.S.), the auto-immune disease. Her condition progressed, and she retired in 1955 to be a full-time mother, remaining active in the community when she had the energy. The family moved to Washington, D.C. for her husband's job in 1961. Six years later, Betty became paralyzed from the neck down and full-time live-in care was necessary.

Coincidentally, in 1970, Betty's sister Leota and brother-in-law Marshall Sage moved to the Washington, D.C. area with his job. Leota drove twenty-five miles each week for years to help her sister.

With the help of health care aids Doris Rose, Shirley Pennington and Sarah Burgess, family, friends, neighbors and members of the Cedar Lane Unitarian Church, Betty managed her life and household for 32 years.

On June 16, 2004, Betty succumbed to pneumonia after a six-day hospitalization in Bethesda, Maryland. Although M.S. had progressively afflicted her body for nearly 50 years, she remained gracious and witty and an inspiration to those who loved her. She will be most remembered for her intelligence, personality and spirit.

She was preceded in death by her parents John and Clara Lance, and her brother Dr. John F. Lance, Jr. Her sister Leota Sage passed away in January, 2008. Betty is survived by her brother Dr. Raymond W. Lance of Pittsburg and son Lance G. Binkley of Arlington, Virginia. During her last years, she was blessed to have become close to her great-nephew Kyle C. Johnson of Washington, D.C.

Sage, Leota L.

(May 13, 1919 - January 16, 2008)

On Wednesday, Jan. 16, 2008, our beloved mother, **Leota L. Sage**, went to join our Heavenly Father. Leota was born on May 13, 1919, in Weatherford, Okla., to John F. Lance and Clara Strickland Lance. Her father was the basketball coach at Southwest State Teachers College, now Southwest Oklahoma State University. In 1922, John Lance was named basketball coach at Kansas State Teachers College, of Pittsburg, now Pittsburg State University (PSU). Leota would grow up in Pittsburg, Kan., with her brothers, John and Raymond, and sister, Betty. All four would graduate from their parents alma mater of PSU. Always an honor student, Leota graduated from Pittsburg High School at age 16, in 1936, and PSU in January 1939, with a major in English and a teaching degree. She taught English and general education classes in Cherryvale, Kan. In 1940, Leota married Marshall D. Sage, her college sweetheart and PSU graduate, who was teaching history at Caney, Kan., High School. In July 1941, Leota gave birth to the first of their four children, Betty Ann, who tragically passed away from meningitis in September of 1941, at only 8 weeks old. The start of World War II called Marshall into the U.S. Army, where he served with distinction in the 728th Railway Operating Battalion serving in England, France, Belgium and Germany. Leota followed Marshall into their nations service and joined the U.S. Navy in 1942, where she served as a ships storekeeper second class in Sampson, N.Y. After World War II, Marshall was employed by the Missouri-Kansas-Texas Railroad (KATY), as a brakeman and later conductor and they settled in Parson, Kan. They had three children, Marshall Lance, Carolyn Frances and Connie Louise. When Leota wasnt a full-time mother, wife and homemaker, she worked as a substitute teacher in Parsons and as the chief timekeeper for the U.S. Census Bureau offices at the old KAAP. She also was active in the PTA, Cub Scout den mother and Girl Scout leader. All three children graduated from Parsons High School and Kansas State College of Pittsburg, which meant all the Sage family graduated from PSU. In 1970, Marshall and Leota moved to Springfield, Va., where Marshall served as legislative research director of the United Transportation Union. They lived in Springfield until Marshalls retirement in 1984. Later that year they moved to Joplin, Mo., and purchased their retirement home. They traveled extensively during their retirement. Marshall passed away in December 1993, in Joplin. After a serious illness in 2002, Leota moved to Fort Smith, Ark., to be near her daughter, Carolyn and her family. Leota was an active member of PTA, American Legion Post No. 394 and the South Joplin Christian Church until infirmities slowed her down. She was preceded in death by her parents, John and Clara Lance; brother, John Lance; sister, Betty Binkley; and daughters, Betty Ann Sage and Connie Louise Sage. She is survived by her brother, Dr. Raymond W. Lance, of Pittsburg; son Lt. Col. Marshall Sage and his wife, Holly, of Boise, Idaho; and daughter, Carolyn and husband, Chris Johnson, of Fort Smith. She was also very blessed to have six loving and talented grandchildren who will miss her dearly, Kyle Johnson, Mike Sage, Cory Johnson, Dean Sage, Jenny Sage and Brett Johnson. A private family service will be scheduled at a later date. Arrangements are under the direction of Fentress Mortuary, of Fort Smith. To send an online tribute please visit www.fentressmortuary.com

Thanks for the information, Mary. I have that Charles G. was the son of John F. and Amanda Lance, and that he had the following siblings: Nancy Catherine (b. ca 1836), Henry S. (b. ca 1838), Melvina/Martha (b. ca 1840) and Bennet Washington (b. ca 1846). (Source: 1850 Warren County TN census).

An interesting note: His brother Bennet had one son he named "Charles Galloway Lance", who is buried in Hazel Cemetery just outside of Bellbuckle, Bedford County, Tennessee. Perhaps he was named after his uncle?

As far as John F.'s ancestry, it's a little hard to sort out at this time. I suspect that he may be the son of Henry and Mary Lance, brother to James Jasper Lance Sr. But proof is scarce, and the dates are a little interesting. It seems certain he is descended from either Peter Lentz Sr. or John Lentz Sr. of the early Carolinas, but not sure which one.

The following tombstone is in the Hobson Cemetery in Pittsburg, Crawford Co. KS. As engraved on the stone:
Charles G. Lance Born Oct 26, 1841 in Warren Co. Tenn. He died a member of the Christian Church Oct. 30, 1914. Blessed are they who die in the Lord for henceforth their works do follow them. He leaves two sons, R. F. & W. B. Lance. Prepare for death and follow me. Lance.
He is listed on the 1880 census of Bedford Co. TN, a widower with three sons, his mother Mandy Lance and a sister Martha M. Lance are living in his household. From Our House
to Your House

Dear Cousin:—

Please excuse my failure to follow thru for you on family history. I believe I did send you all of Son Dr. John Jr. family. This has been a bad year for me. Felt poorly all Summer and lost weight from 220# to 180# when late Aug. filled up with tissue fluid. Both Sons are M.D's, so took me to Wichita for three weeks in Hosp. They got rid of fluid and I weighed only 152#. Feel fine now and weigh 175#. Will stop at 190!

We have moved into a nice new apt. We hated to give up our home that we loved. No outside work here. Better for old folks!

Will go to So. Padre Is. Texas early in Jan. Be home early March as have big Homecoming for former B.B. players in April.

Will try to help you if we can get settled and remain Well.

HOLIDAY GREETINGS
and may every happiness
be yours in the
New Year!

John & Clara Lance

We want to Visit Dorothy Hendricks this Spring. If we make it, I will want to give you a Call. We should get to know one another after all these years.

John.

I did receive the info on the Dexter family that you sent to me. Thank you very much. I did get some info that I didn't know before.

The connections and family ties are as this: And since you have so many dates, I won't include any. If you find that You need something that I dont include, please feel free to write back and ask. Just using the names, here goes:

Warner Dexter Married Sarah Briggs. (This you knew). They were parents to William M Dexter. At this time, I don't know any other children for this couple. William M Dexter married Lovina Thorpe. Her parents, also in your info, were John S and Hannah S (no maiden name yet) Thorpe. (One thing that I find interesting is that you have the name Lavina, but everything thatI have, including her obit, and tombstone, shows her name to be Lovina. You were exactly right with the info that Ellen, Rachel, and Jane were sisters to Lovina. Lovina also had a brother, John S Thorpe JR. (Something else that I found different in your info was the name of the town in NY. You had Gariman Flats. I have looked this up on the internet, and found that it is German Flats). BTW, the info that I have came from Harry Marshall McClure. More about hime and where he fits later.

Lovina first married John Allen, on 24 Feb, 1854. He passed away later. John Allen and Lovina had a daughter. Here again, we seem to have a little discrepancy. You show the name Marry Elizabeth. My info shows the name Margaret. Margaret, or Marry, married John Wonderly.

Lovina and William Dexter had the following children: William M Dexter Jr. John Warner Dexter, Hannah E, Charles, Rosa, Cornelia Ann, and Ida May Dexter (this is your relative Who married Hendricks).

Cornelia Ann Dexter, (my great grandmother), b 14Mar, 1873. on 23Dec, 1903, married William Alexander McClure. They lived in Pittsburg, Crawford County, Kansas. Their children were Harry Marshall McClure (who wrote the info that I have), Florence, who married Arthur Towler, (where you have Fowler). The last child they had was my grandmother, Lillie Marie McClure, (and you have the correct date for her). Lillie McClure married Samuel Robert Arthur on 4 July, 1926. My mother, Lillie Reginah Arthur was born 1 July 1927. she married Elmer Dale Smith on 21 Sept, 1947. Mom had a sister, Georgia Louise, who married Kenneth Harold Smith (no relation to Elmer). Georgia was born on 23Nov, 1934.

One thing that I have that may interest you is that Raymond and Florence Hendricks had a son, Jack, who died 27Dec, 1923, age 1 year, 2 months, 2 weeks, and 4 days. (Did you know this?)

Happy hunting,
Blaine and Margie Smith

Entries in the "Birthday" book are the HANDwriting of Ida Hendricks. (This compilation prepared in 1955 and 1956 by Raymond A. Hendricks, son of Ida Hendricks. 'DEATH HOUSE' FLAMES TAKES 17 DEATH TOLL

Wooden Fire Trap at Illinois Hospital for Insane Near Chicago Burns

Chicago, Dec. 27—Seventeen persons were killed last night when a swiftly spreading fire of unknown origin destroyed an old wooden pavillion known as the "Death House" at the state hospital for the insane, at Dunning, at the northwestern edge of Chicago. Fourteen of the dead are known to have been patients in various stages of insanity. Three others were E. J. Caraker and his wife, attendants, and Lowell their 8 year old son.

Only one patient has been identified. The bodies of the others were burned beyond recognition.

About 35 of the patients, including several of a violent type, broke away in the excitement of herding more than 500 inmates from the danger zone. Several were taken back to the institution after hard struggles with the police.

A dozen supposedly dangerous patients were reported still at large early today.

It was one of the worst institutional fires in Illinois history. The building witnesses said, seemed to go up in one great burst of flame. It was given the name 'death house' when it was the property of Cook county because of its flimsy construction, it is said. It was 800 feet long and 40 feet wide, one story high at one end and rose to two stories at the other. It houses approximately 600 patients suffering with the milder forms of insanity.

A number of the patients were epileptics, usually in full control of their faculties, and they aided in rescuing the helpless.

It was thought at first that all persons had been taken alive from the burned building and it wa when firemen began explorin smouldering ruins that the body was found.

Although the Poor People's March on Washington was loudly criticized, Congress kept the war on poverty running, expanded food stamp and school lunch programs, stiffened penalties for racial intimidation, and barred discriminatory selection of federal juries.

PROBE

"The decision to not file charges was made after careful review of the investigation reports, statements, photographs and other evidence compiled by the Bartlesville Police Department," Ambler said.

"Captain Joe Smith and the officers assisting him in this investigation did an excellent job of reconstructing the accident, both from physical evidence and from statements given to them by witnesses.

"They made the careful and thorough investigation that we in this office have come to expect from them. Particularly impressive was the manner in which they pursued and eliminated the numerous rumors which are always attendant to these tragic situations.

"From this investigation we find no evidence that the driver of the vehicle which struck Miss Lovell was driving his vehicle in a manner that disregarded the safety of others.

"Conversely, the investigation revealed that his vehicle was traveling at a rate of speed considerably less than that allowed by law and in a manner reasonably consistent with the traffic conditions then in existence," Ambler said.

GUESTS

HOLLYWOOD (UPI)—Debbie Reynolds, Johnny Carson and Danny Thomas have all taped guest appearances on the new "Don Rickles Show."

"The United Fund Drive is in high gear with every indication of success," according to Mrs. Marguerite Taylor, Fund secretary.

"First reports indicate wider participation from all four divisions and increased contributions in many of the Colonel's preliminary reports."

"The retired peoples' contributions have been coming into the office with their concern for Bartlesville and Washington County's 15 agencies reflecting in their checks and pledges," she said.

Captains Mrs. Bob Moore, Mrs. George Earley, Mrs Russell Blachly, Mrs. Gerald Chaney and I. P. Hipp have completed their solicitations and turned in their cards. Every effort is being made this year to be sure that every card is worked with everyone being given a chance to contribute, Mrs. Taylor added.

Colonels who have completed their solicitations are urged to turn in their cards with check and pledges to the office at 418 S. Cherokee prior to the big "splash down" Thursday afternoon at the Union National Bank lobby.

DULUTH, Minn. (UPI)—A new diesel engine that enables ships to maneuver like an automobile has been installed on a Great Lakes cargo vessel.

James F. Murphy, director-Industrial and Marine Division of Cummins Engine Co., said the new diesel showed the ship can negotiate narrow rivers, locks in canals and dock without the aid of tugs. Murphy said the captain of a ship "can operate the same way a driver could if he had a car with steering for both the front and rear wheels."

AUTO-LIKE

DULUTH, Minn. (UPI)—A new diesel engine that enables ships to maneuver like an automobile has been installed on a Great Lakes cargo vessel.

James F. Murphy, director-Industrial and Marine Division of Cummins Engine Co., said the new diesel showed the ship can negotiate narrow rivers, locks in canals and dock without the aid of tugs. Murphy said the captain of a ship "can operate the same way a driver could if he had a car with steering for both the front and rear wheels."

Dear Mary. Ruth: Hi! Way out there
in Barthsville, Oklahoma. How is every
one? all well, I hope. Last year at this
time, I had Arthritis. I could hardly
move. In April, or, May, I was suffering so
much pain, I went to the Dr.. He said that
I had a pinch nerve in my neck. I had to
take therapy treatments for a week or longer.
Also take a lot of medicine. I felt pretty good
all summer. We had plenty of fresh tomatoes,
cucumbers, and, green beans. I ate a plenty of
them. Earl, my husband, has been through
the mill. In June ~~had~~ he had a hard lump
removed from his breast. It wasn't cancerous.
Then in August, I had to take him in the
Ambulance to the Hospital here at Rochester,
He had to have a Prostrate operation. He had
it. Came through with flying colors. I brought
him home. Then in Oct. I had to take him
to Portland, Maine; for another operation.
The Drs said that it was a
serious operation.

Then in Dec. another operation. So I
think he ~~has do~~ have had his ~~is~~ share.
He is home now, but slowly ~~nor~~ on the mends,
On Thanksgiving Day. We had a nice
quiet day at home. Then Christmas Day,
Pat, Earls'-granddaughter had us over to her
place for dinner. She had a nice dinner.
The weather it was cold Br-r-r-r. Down
to fourteen degrees below zero. Had some
real cold days since then. Today it was
nice and warm. The weather man says
the Jan. thaw. Hope it is. I will be
glad to see some of this snow go.
How is your Mother and Father? Hope
they are well.
Will finish my letter. It is a nice sunny
morning. We watch the T.V. most of the
day yesterday.

Hope this finds you folks well.

Will close for now. Love.

From your Cousin.

Dear Cousin. Will try and write a few lines this evening. I didnt realize that, I had waited so long. You will see by my address, that, we have move. The place where we was living on Congress St. was sold. The party that bought the place; boosted the rent up so high we wasn't able to pay it. with our social security. These places had open up for senior citizens, and, families with low incomes. We was one of the frist to have our name on the list. So we have a ~~soa~~ nice four room apt. Here where we live. The government had these houses built for low income families. That was seven or eight years ago. The mayor of the town wouldnt let them be rented, as, he wanted Senior Citizens to have the renting of them, as, they was on a low income.

The houses that have smaller Apts, like the one we are in. The senior citizens live in. Some of the places that three ~~or~~ or four bedrooms are rented to larger families, that have families There are plenty of kids in this place. Never a dull moment. The police has been Called out here two, or, three times.

We move out here Dec. 13th. It was nice to get out here in a ~~so~~ ~~new~~ new house.

Christmas Day, It snowed all day. Had plenty of snow all winter. Until late in the spring.

Our rent is cheaper, our heat, hot water electricity, refrigerator and cook stove is all furnish for ~~us~~ us. The cook stove is gas. We have to pay our own telephone bill. We bought some new things after we came over here. We got a new living rug, a new dining table, and chairs, and, a dish washer. Oh! yes, we had a shower fix in the bath

room. It is sure a big help. I guess
most all of the old folks had a
shower fix in their tubs.

In April, the frist three or four days. I had
Arthritis in my right leg so bad, that;
I was in bed three ~~ou~~ or four day. The
frist day, I was up. We received a call
that, Earl's brother had died. He was 80
years old. He had a bad cold. It settled
on his lungs. His funeral was April 12th..
So Easter Sun. wasn't to happy a day
for us.

Uncle Walter Bishell, mother's brother died
Nov 21st. 1978. All of my Aunts and Uncles
are -gone.

How is your mother and father?
Maybe, Mabel has forgotten it. I
remember seeing Mabel, Ruth and
~~Beat~~ - Beaulah at Myrtle place at
Iola, Kansas. Then Mabel took me to
the Depot. I left for Kansas City.

That was in May 1932. I was on my way to Canada. That was a wonderful trip, I made. I have made the trip to Canada since then. All of them have been different.

I heard from Ruth Johnston. a few days ago. I was sure - glad to hear from her.

I will tell you how I ~~f~~ happen to come up here to N. H. I was born in Cherryvale, Kansas. Then I live on a farm near McCune for seven, or, eight years Then we had to move to town. So we move to Walnut, Kansas, where I lived until, Mothers death. I was working in Milwaukee, Wis. I was working at the Home for the Age. That is where I met Earl. We was married in Milw.. Earl was born here in N. H. All of his folks live here in N. H. He live here all his life only for the few years in Milw and Calif.

The reason we left Milo and came back to N.H. It was getting to rough for us old folks. It was hardly safe to walk down the street in the evening. So, Earl wanted to move back where his folks live. So we came back here in May, 1975.

I had better close for now. I can't think of any more to write. Thanks very much for telling me where my great ~~grand. gra~~ -grandma and great grandpa was born and live.

If any help to you Mother was born at Quincy Illinois Emma V. Bishell

I can't think of any more for now.

Love Doris A. Drown

Simeon Trumbull

Obituary

From the Adams County Press, March 11, 1899 Page 5

DIED--TRUMBULL--In Quincy, Adams county, March 4, 1899, Simeon TRUMBULL, aged 79 years and 5 days.

Simeon TRUMBULL was born on the 29th day of February, 1820, at Burlington, in the State of Vermont. When quite young he left his native home and went to the State of New York, where for a long time he worked upon the Erie canal, until 1845, when, taking Horace Greeley's advice to young men, he came west and located at Horicon, Dodge county, in this State. Two years later he married Miss Helen ANDERSON of Horicon.

In 1856 he moved his family to Quincy in this county, and has resided there ever since.

In 1864 he enlisted in the Fourth Wisconsin Light Artillery, and performed faithful and patriotic service for his country until the close of the War of the Rebellion. He was discharged from service at Richmond, Virginia, July 3, 1865. His wife died January 7, 1873, and since that time his home has been cared for by his children, most of the time by his son James.

Simeon TRUMBULL was one of that class of men of whom it can truly be said; the world is poorer for their leaving it. In every relation of life he was an example for good. Patient, affectionate, kindly, honest, genial and helpful, the whole community loved and respected him, and feel his loss with genuine sorrow.

He leaves four children surviving--Mrs. J. M. FAXON of Oregon, Sealy and Grant TRUMBULL of California, and James TRUMBULL of Quincy.

The funeral was on Monday, Rev. Stevenson officiating. Delegations of G. A. R. members from Friendship, Easton and Springville attended, and the remains were laid to rest with the impressive ceremonies of the Order.

Hello Mary,

Well look at you.

You have Robert Martin wife's real name, Dad had only know 'Shanty'
Ann. Then I could not read writing on Census, neither could others, Phanata.

I am from :
Direct Descendants of Andrew Laney
1 Andrew Laney
+Isabella Martin
2 Matilda 'Tillie' Butler Laney
+William L. Crain
3 [1] Isabella Lindsey Crain
*2nd Husband of [1] Isabella Lindsey Crain:
+Samuel J. Boggess
4 Robert Laney Boggess
+Anne Milne
5 Maurice Loyd Boggess
+Agnes Pearl Everitt
6 Robert Everitt Boggess
+Dorothy Jean Parkison
7 Theresa
Jane Boggess (ME)

I thought I had Isabella's parents, but was informed recently, that I was given the wrong info. So now on to the hunt for her parents again. I have most of the Laney info.

I live in Wichita, KS. I have relatives in Bartlesville, OK, Bolis and Lucy Ribka. Lucy is my Dad's oldest sister. But they don't get into the gen thing.

We will have to get together on one of our trips and go over everything.

Thanks for the contact. I did not want to talk your ears/eyes off.

Jane

Hi Jane,
The Laney information was sent to me by Lena Christina Peterson Trumbull, wife of Grant Vadon Trumbull. Lena and Grant are both deceased now. Grant's mother was Laura Esther Laney (dau of John Henry and Mary Louise Hendricks Laney). The information concerning the Laney family came from an old Bible owned by a distant relative of Grant's. Her name was Bula Lamm Cairo of Colusa, CA. I know nothing about her or the location of the Bible. Apparently, the Bible also listed the Hendricks family names and birth/death dates. Wish I knew how this Bula was related to the Hendricks and Laney families.
My Washington Co. IL line is:
  James Hendricks (1815-1875) m Sarah Brown (1817-1880)
  George Washington Hendricks (1840-1916) m Nancy Selinda Johnson Crain
    (1835-1907) Nancy married #1 Alfred D. Crain/Crane and had five children.
    After Alfred's death, she married George W. and had nine more children,
    including three sets of twins. George Washington Hendricks was an attorney,
    justice of the peace, school teacher and probate judge in Labette Co. KS. Both
    are buried at Oswego. George and Nancy are my great-grandparents.
  Ella Adaline Hendricks m Orrin Ometa Mitchem
  Mabel Inez Mitchem m Raymond Henry Metzinger
  Mary Ruth Metzinger (me) m Richard Dean Nunneley
The only information concerning the Laney family I received from Lena was the following:
 Andrew Laney
  b 3 Jan 1777 - d 9 Jan 1826
  m ca 1810 to:
 Isabelle Martin
  b 13 Feb 1788 - d 24 Jan 1846, Washington Co. IL. Buried Laney Cemetery

 Samuel Laney - b 1736 - Lancaster Co. PA

 Titus Laney - b 1710, Germany - of Irish parents from Cork, Ireland
  d ca 1789 - Lancaster Co. SC (NOTE - seems a possible error / PA or SC??)
  m ca 1730 to:
 Hannah unknown - b ca 1712 Cork, Ireland

Lena had all of the children of each line of the Laney family, but since I did not really do Laney research, she never sent the names of the children of Robert, Andrew, Samuel or Titus Laney.
Talk later,
Mary Nunneley

Dear Mary,

So glad to hear from you! We just got over a wedding so know exactly what you have ahead. Our daughter Gloria's daughter Glori Ann had been engaged for some months to a Mike also. And Kathleen's Mike sounds much like our Mike, sorta old fashioned, which we can stand a lot more of in these days. Any way our two had decided on Jan 10 as the big day. Glori Ann is a teacher & her best time was then, Mike is a lab technician for U.L. & his best time off was then so Christmas took a back seat. Grout decided I should go so I went by bus to Reno & Fri the 9th son Grout, wife & I took off by car for Montrey, a 7hr. drive. We got there in time for the rehearsal, which was great. Glori only has one Grandma & Mike only has one & they'd planned special seating for us, so really glad I could be there. The wedding was at 3: PM the 10th on a beautiful warm sunny day! Every thing went off as planned and a lovely reception was held from which the newly weds left on their honeymoon to Lake Tahoe for a wk. The bride

2 —

wasn't at all nervous but Mike made up for it, they are both 25. It was a beautiful wedding. We visited till noon on Sun, and drove home. I came home by bus Mon A.M at 10:30, Grant was sorta glad to see me. ha.

And now we are lambing so have our work cut out for us for awhile. I worry about the baby - the first few days.

Now for your questions, I'm afraid I can't help you much as I think I've sent you all I have. As for Bula Cairo's bible it was one her mother had and an Uncle some where along the generations had torn out the name, etc of the bible and the only Hendricks reference was what I'd sent you of James + Sarah & family so I've sent a rundown on how Bula connects and you can see its many generations before a Hendricks figures in, who was Grant's grandmother Mary Louise and her parents James + Sarah, I have nothing on James's or Sarah's families other than this. The bible gave Wash. Co. as James burial Co. is all, nothin on Sarah's, I have written to no counties in Ky., never seem to have time to get things together & write coherently. The Adair Co. was given as the one

they were married in, in the Bible. It was in very poor condition and had definitely been torn in places. Pages were very yellowed & fragile. Lots of Laney notes but only the one Hendrick family & so poorly written. The 2nd son Buzell looked like Brezaleel, have seen it spelled so variously don't really know what is correct. Probably named for Brozell Brown, a possible Uncle? I agree Susan Brown (1850 St. Clair Census) must have been Sarah Brown's mother and probably Mary Brown & Brozell Brown were sister and bro. They may have been born in Garrard Co. Ky also.

Any way good wishes on your searches. These researchers have been so high priced I haven't felt I could afford it. Will be very anxious to hear what you learn and do hope you get a sincere researcher. All of them aren't that honest I've been told.

The best of wishes to you and yours on your upcoming wedding. It will be an exciting time.

Love

Dear Mary,

We were saddened by your letter, we've been through losses of parents and I lost my brother at 46 yrs of age so know fully how heart breaking it is. It has to be very hard on your poor father too, caring for her & knowing there is no hope. My father died of cancer & he was very strong willed also, fighting to the last. They suffer more when they do I believe. Lost a niece two years ago with cancer & she was so serene and went so easy. She'd worked as a nurse's aid and knew what to expect, seemed to help. This darn old cancer is the most grim reaper on earth. You have your hand's full, working & worrying

2- and spending weekends there. Feel so sad for all of you as it's never easy to give them up, even when we have known it's going to happen.

Yesterday our last grandson would have been 18, he was on my mind all day. Makes one heavy hearted. Tom. is our surviving grandson's 29th birthday. He is engaged now and they will be married this next year, in Alaska where both live and work. I'm sure I won't be at that wedding, Grant always wanted to go to Alaska but says not any more.

I know how you must worry about Kathleen driving alone, so glad she wasn't hurt. We have such terrible accidents here abouts, it's frightening. We elected to stay home Christmas for that

2-reason, instead of driving 90 miles to Reno, Nev. Our son and family were unhappy but we'd had enough snow it was very slick, and we must concede a bit to our age, also.

I feel about as usual, most days better but have a few down days. Guess that's to be expected. This bad weather depresses me so, I'll sure see feel better when Spring gets here. Have to go to the Specialist 17 Jan so will know more then, hopefully. Grant's arthritis is very bad in his knees & walking in this snow doesn't help. We have few chores now since ~~Mike~~ sold the sheep so that helps.

Must close so this can be mailed. You & yours will be on our minds. I hope 1983 will be a better year for all of us.

Love,

Loved your card!

Aug 30

Dear Mary

A month later I again beg your forgiveness! I thought July was busy — August was busier and we had 105-7° weather, unusual for here! Better now at around 90° daily. This is one dry year—

We had to invest in a new freezer & transfer food back to it so we could clean up the chest for our beef will be butchering soon now, also some lambs. Our son & family will be up next week end so we'll butcher a lamb for them then. We do our own cutting & wrapping.

Then our fair came along & our O B Club fixed a float in the parade, we got a 3rd on it. And we'd bid on the Wine cooler booth so all of us were busy there with 3 hr shifts each day. Took in a bit over $3000 so we should have a nice sum when wine is taken care of.

I have ordered a book soon to be out on St Clair Co., Illinois covering years our Laneys & Hendricks' should have been there. I'm looking foreward to it. Supposed to cover the census's thru the yrs too. Hope it's worth #25! I'm hoping I'll have time soon to assemble all the goodies I have & from our good cousin Mary so I can get the familie's grouped in my album & maybe so better in my head!

I must close now & get this in an envelope before another month slips by. I honestly don't know where this yr has slipped to.

Bye for now & thank you again. Write when you can, I know you are busy too.

Love
Lena & Grant

July 29, 1981

Dear Mary,

Please forgive my slowness in answering your letter & acknowledging all that lovely material! Your lady in Ky. did do a great job. We have had such a busy yr. & this month especially has been hectic. We finished up our haying, baled hay for a neighbor & then had company two wks. in a row! Guess I wasn't cut out to be a hostess, I was worn to a frazzle & we had mid 90° & still have. I don't get along with heat.

Yes I know how a wedding goes. Our granddaughter wed in Jan., a most beautiful wedding but our daughter Gloria was worn out. Good when one only has one daughter, ha.

I haven't really had time to "digest" all the material you sent. Was nice getting James & Sarah's wedding date. Wonder if the Walter could be Sarah's father? And that Bazabel Brown & Susanna Gibbs wed Jan 12, 1798 could hardly be her parents, could they, unless she was their first born. No I'm getting dates tangled, they could have been I guess. That name Bazabel gets me, wonder if thats where James & Sarah's second born got his odd name. I found it spelled so many ways, in the

2 -

old bible Bula Cairo had it looked like Brezeleeb, later found it as Buzell. Sure a puzzle any way. I get so confused trying to keep names & dates straight in my mind. Sure nice seeing the 1900 census on Willis V. Hendricks, but here it is spelled Vadon. Laura E. named Grant Vadon, her oldest son & Grants oldest sister named her son Vadon but I see in all the listings you sent it is with an e. No, didn't know Willis & his wife had had children. Grace L. probably is Grace Laura, Willis took Laura E. into his home after Laura's mother died when she was 10 1880, also his 2 younger sisters Martha & Sarah. Mother Trumbull talked of Uncle Will & Aunt Sally. We tho't man & wife till we got the census readings! Sure do have a different birth yr. for Willis Vaden than I got from the Bible. And he was a teacher! ha.

I shall have to wait awhile before I can go thru this material thoroly. Thank you so much for sharing your info. with me, we've enjoyed you very much. Hope your father is feeling OK this yr. & mother too, of course.

We have a broken waterline to mend today & one freezer is failing so have to move contents to other one so will be busy. Bye for now & thanks so much. Love, Lena & Grant

April 22, 1980

Dear Mary

Please forgive the two months of silence, we were starting to lamb when we received your last letter, your family sheets & the lovely picture of your folks. They look like people one could walk up to and give a big hug! I am usually behind the camera when pictures are being taken but am going to have some one "shoot" some of us soon as we get some decent weather — had snow yesterday along with rain. The rain is fine on Grant's grain fields. G V (our son Grant) and family spent Easter week here & G V & Grant put in our crops. Ran both tractors &

2) did it up fast. Then we had our Easter egg hunt on Sat. My brother's oldest boy Frank (3 mos. older than G V) came over with his family & we had our Easter dinner Sat. P.M. too. Both boys grew up on this little red farm so it's "coming home" to them. We had a nice time. My bro died at age 46 of the opposite of Lukemia, he & his wife were divorced 3, no 4 yrs before & it fell to Frank to hold the family together. He did a commendable job of it, made a better man of him. He had 2 sisters & 2 bros. All married & scattered now. Frank & the middle bro. come "home" very often tho. More like bros. to G V than cousins.

Our daughter Gloria & Hubby Martin bot a townhouse

condominium in Feb, to get away from so much yard work. They seem to like it. The stairs I wouldn't like. We must try to get down to see their new home this yr. We can't both go at once as these sheep require watching. With meat so dear many people are after lambs. Had one stolen a yr. ago! I have all yours spoken for already so must guard them.

You will love your grandchild (or children). Twins would be lovely. I miscarried twin boys in 1936. There sure are a number of twins down thru the generations & also on the Laney side so no one we might have had twins where Grant's grandfather was a Laney & his grandmother a Kendricks. It was a blow losing them, then almost lost L.G. when he

H, was coming along.

Sure wish some one would would publish a Hendricks book! The one on Laneys that Mr. Funderburk of North Carolina printed was such a help to me. I too, feel Thomas Andrews Hendricks is of our family of Hendricks but sure would love to learn how!

Indeed you are right, farm chores are never done Ours are easing now, that green grass is available for the sheep. Horses already in their summer pasture but sheep we have to grain mornings yet & let out each AM to their pasture, as well as feed 11 lambs on bottles. Some lost their mothers, some's mothers just didn't have enuff milk, etc. This is the most "bummers" we ever had. One ewe had triplets + 3 wks. later she died

before we knew he was ailing even. One thing about sheep they can be here today, gone tomorrow. We had one nice lamb get a leg caught in a manger yest. & fell over backwards. I bawled when I saw the shape he was in, but "Dr Trumbull" says no bones are broken but evidently pulled legaments as he's still dragging it today. Seems hungry so may over come it but doubt he'll ever be OK. I hate to see them hurt. Even tho we raise them for meat I feel so bad when they are injured while still babies. I used to have 2 milkcows when the kids were home but now I trade eggs for good fresh milk from a neighbor! Yes 2 jobs at once are hard to do justice to. We did a long time, I was glad when Grant retired from the plant. Now we

e/ seem as busy as ever. Grant will be 72 Thurs, and your Mom soon after. We do have arthritis here + there, other than we aren't in too bad shape for our ages! ha. There is so much arthritis in this country — almost every one has some.

Well dear cousin will close for now. Do write when you can — we do enjoy your letters.

Most sincerely
Lena + Grant

October 26, 1979

Dear Mrs Munday,

Thank you much for your letter regarding my Laney-Hendricks listing in the April 1976 issue of "Branching Out From St. Clair Co. Ill." I'm afraid I can't help you on James & Sarah Brown Hendricks burial place. I got my info. out of a descendant's bible so old the cover, name & date of bible etc were all gone. Only the names of James & Sarah's children were clear, also info on J & S's birthdates & places in Kentucky, do you have this info? Do you have their family group? Maybe I better copy one so you can compare with what you might have. You might have info I don't have. This genealogy bit is interesting but so frustrating at times. Please share anything you have.

This Laney-Hendricks genealogy is on my husband's side. James & Sarah Hendricks 3rd issue was his grandmother Mary Louise Hendricks who married John Henry Laney. So we must be a generation older than you.

I also made some xeroxes of some clippings found in Mother Trumbull's effects after her death. She talked little about her family. Her father died the month before she was ~~born~~ 1 yr. old and her mother died when she was 10 and she was raised by relatives in Oswego, Ks. probably Hendricks side. I didn't care about genealogy before her death or I may have learned much more! She became a teacher + taught in the midwest, coming out here to visit friends who'd moved out here. We live in north eastern Calif, in pretty rugged country. Makes one wonder why she staid!

Do you have any knowledge of James' parents, bros + sis and likewise of Sarah's " " " ?

I will close now + make the group sheets to send. Hoping to hear from you again,

I remain

Sincerely

Lena Trumbull

Dear Mary,

We were so glad to receive your newsy letter, so glad you found us. ha. I am enclosing a couple pix, one for your mother, so you can get an idea what cousin Grant looks like. Will try to get some close-ups so you can really see features. This snap was taken about 5 yrs. ago too so of course we've aged some. Darn old Father Time!

Glad you had nice holidays. Our son & family came over from Sparks, Nevada last week-end, first visit since Thanksgiving. We enjoyed them and our two precious granddaughters.

I too, waited too long to get interested in geneology, after those who could have helped so much were gone.

So sorry to didn't know about the berry bowl but guess you are lucky to have the sugar & creamer. They are really precious now, think of the age. You know I've been trying to tie Thomas Andrews Hendricks to our family for some time. Grant's oldest sister says he was Mother Trumbull's (Laura Esther) Uncle but I can't find anything that substantiates that,

2 -
He may have been a great Uncle. I am sending what I have on him. Maybe one day we'll learn how he's related as I'm sure he must have been. Your statement he was a Democrat tickled me as the family here are devout Republicans too. Dad Trumbull was so very much so. Of course, he wasn't a Hendricks descendent, but Mother T. was also Republican. (of course!)

You sent a Family Group Sheet on your own family, would like one on your mother, please. If there's more you'd like on our side let me know. O yes you sent a Family Group sheet on Geo. W. and an ancestor chart from you, both ways.

I was so lucky on the Laney side, a descendent in Monroe, N.C. began research yrs. ago on Laneys and in 1974 put out a volume entitled "Laney Lineage and Legacy". In it I found two generations earlier than what I had from a Family Bible owned by a distant cousin of Grant's. Wish a Hendricks would've done this. ha.

Must close now & get busy. We will be lambing our 27 ewes out in 3 wks, so will be a busy pr. for a couple weeks then. Do let us know anything new! Sincerely, Grant & Lena

Thomas Andrews Hendricks born Sept. 7, 1819 near Zanesville, Muskingum Co, Ohio, died Nov. 25, 1885. Before the Rev. War Abraham Hendricks, who was of Hugonot stock, was living in western Pa. where John, brother of William and father of Thomas Andrews was born; Jane Thomson, mother of Thomas was of Scotch descent. The family were Presbyterian in faith, tho in later life Thomas became an Episcopalian. In 1820 they moved to Madison, Indiana but 2 yrs. later established themselves in Shelby Co. Thomas spent his boyhood on his fathers farm and received his early education in the Shelby County Seminary and the Greenburg Academy. On Sept. 26, 1845 he married Eliza C. Morgan, of Northbend, Ohio. Their only child, a son, died at the age of 3.

In 1848 Thomas was elected to the Indiana Assembly, he was elected to Congress in 1851. He was appointed Commissioner of the General land office by President Pierce, he held this office till 1859. In 1860 he was the Democratic candidate for Governor, but was defeated. In 1863 he was elected to the U.S. Senate for one term (1863-69) In 1872 he was nominated

for the third time for the Governorship,
in 1876 he was the vice-presidential candidat

4 Feb 1986

Dear Lena,

Just received your letter with the sad news of Grant's passing. As you probably remember, Mom and Grant, the Hendricks cousins, were so near the same age. Grant born in April,24 1908 and Mom in May,6,1908. Mom was sick from the last of September until she died in Feb. 1983. Even their period of preparing to leave was so similar. I had Mom for 53 years and thank God everyday that I had so much time to know and love her. Even after three years, never a day passes that I don't have something I wish I could tell her that I am sure she would think "very important". I know, am positive, that we must surely be among the very lucky people to have had them so many years. It is hard to explain, but after three years, I remember Mom being so sick, but most of what I remember are the wonderful years when she was well and we had such good times and loved so much. Guess that is a wonder from above.

I don't remember when we last wrote, but Dad had a stroke in December, 1984. It left him paralysed on his left side. He has been in a nursing home since he was released from the hospital in February 1985. He has gotten better (with some serious complications at times) but is bedfast and needs total nursing care. Over the past year, he has gotten to the point of knowing us "most" of the time, but still lapses away occasionally. We got him a chair with wheels, very much like a recliner, so the nurses are able to get him into that to be out of his room for a while each day. He seems to enjoy that. He has learned to feed himself again with his good hand and now is able to handle most food. He was on blended for many months. He was always so active and it is sad to see him as he is now. His greenhouse sits vacant and his huge garden is now just part of the large yard to be mowed. I drive the 100 miles every third weekend and stay at the house doing the necessary chores. Because his income is not engugh to pay all of the $1000 + each month at the nursing home, he must have assistance. We have been told we must sell the house to apply to his costs. I really am sad about that, because I have been paying the house expenses since he got sick and it also, gives me a place to stay while there. There is no motel in Drumright. My sister and her husband live there, but have a small home and I am not comfortable for several days and know it is hard on them. My brother-in-law is retired and they have their own routine and I know how I upset it. I stayed a couple of weekends, due to my Aunt Ruth, Mom's only remaining family member, thinking I was not safe staying alone. Sis and Brother were gracious, but I did feel a little in the way. They think I should buy Dad's house when we have finished with closing out the family items. I've other obligations and don't know if I want just a weekend home. I know if anything happened to Dick, I would definitely move back to Drumright. We've good friends in Bartlesville, but no family even very close. Dad will be 86 on Feb. 13th and I really am in a twit about what to do concerning the house. He may live for ten or more years. Always said he wanted to be 100 - he may do it!

Don't be so sure Grant never knew you, Grant or Gloria-after Dad's stroke, he knew no one and nothing for such a long time, apparently. Weeks later, after he regained some speech, he would, with difficulty, mention something or someone that had been around when he seemed to know nothing and beeunconcious. I do not think that we or the doctors will ever really know what the human mind can handle.

Do be brave, but most of all, be thankful for having had my Mom's Hendricks cousin for so many years.

Write again soon. I will answer soon as possible with my working and driving to Dad's. Even still do genealogy when I can, but those Hendricks still baffle me. Wonder if James and Sarah really did have parents??

Love Mary

[illegible] 1963

Dear [illegible]

I received your letter with the sad news of [illegible]. As you probably remember, [illegible] and she would think "very important" [illegible] very lucky people to have had her so many years. It is hard to explain, but after three years, I remember [illegible] but most of what I remember [illegible]

I can't remember when we first were [illegible] in [illegible] Now he is in [illegible] He has gotten better [illegible] of the time, but will [illegible] very occasionally. We got him a chair [illegible]

[illegible] be brave, but most of all, be thankful for [illegible] for so many years.

Write again soon. I will answer as soon as possible [illegible]

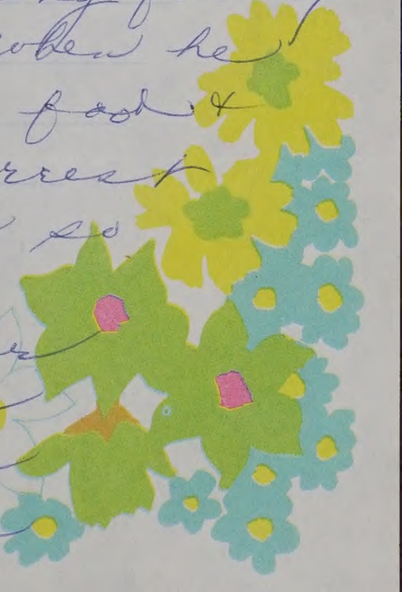
Dear Mary,

It has been a long time since I've heard from you, have thought of you so often and wondered how your father was doing.

I lost Grant Christmas day 1985 after 60 days of hospitalization in Reno, Nevada. On Oct 25 he was stricken with a stroke caused by a huge cyst on his pancreas. Surgery was done Oct 28 and he was recovering fairly well till Nov 13 when he aspirated some food & had cardiac arrest which caused so much brain damage he never knew me, our son Grant or our daughter Gloria



till the day of his peaceful passing Christmas day. We were with him the last 3 hrs. I had stayed at sons those two months and would spend days at the hospital with him, to no avail, pretty frustrating when one can see no recognition in his eyes.

Sorry to write such a dismal letter but it is taking a bit of getting used to, after almost 54 years. I am at home & doing pretty well, have great neighbors here in the park. The one on the west lost her husband 3 wks before Grant so we console one another.

Would love to hear from you again. Sincerely, Vera

Dear Mary

Please forgive my lateness in answering your November letter, I was so happy with all the goodies you sent but just got bogged down in Thanksgiving plans, then Christmas. We went to Reno to our sons' home for Thanksgiving and our daughters' family came up from Monterey, Ca. & met us so we had a lovely time. We were to go back to our sons' for Christmas but the elements took over and we had 18" of snow the am of the 24th so we stayed home. We do have sheep & horses to feed, also chickens, cats & dogs so didn't want to get snowed away from home! As it turned out we hadn't too much more snow then turned cold & froze our mess under foot, then after Jan 1 began to rain & has rained most ever since, causing extensive flooding when the snow went off. We have a river to the north of us but are too high to be bothered by it.

Now to our genealogy — the way you diagramed the relationship from James Hendricks was so interesting &

simplifies the relationships – interesting too how near an age the second cousin's are – Grant & your Mom. At times like this I love genealogy – feel like we've gained a bit. ha. Grant is only about 12 days the older! I am sending you our Family Group sheet – you would be a 3rd cousin to our daughter, Gloria – right? I get so confused over how the relationships go down thru the lines. She's about 16 mos. younger than you.

Now to Fame Laney – she was Euphame Milne, daughter of William & Mary Milne and married John Henry Laney's first cousin John Duncan Laney in Illinois. How come the John Jor Duncan I don't know but this bit was jotted in Bula Caird's bible. This bible had no covers left, was very disreputable in appearance but had many family names & dates which I copied & most have been authenticated thru Census's I've had sent to me – I have so much Hendricks data sent me from other decendents my head reels at times. Just a few days ago I received a letter from a Mrs Carolyn Rymel from Gardnerville Nev. (Just south of Reno) and her names are all new to me, but I sent her our

live — maybe we can someday learn more. Her names were

GG grandfather William E. Hendricks 1807-1862
G " David K. T. Hendricks 1846-1927
Grandmother Viola Ruth Hendricks 1891-1958

Do you have anything on these names?

The census histories you sent were very enlightening to us, for one thing Grant's mother Laura talked of her Uncle Will & Aunt Sally — apparently Willis Vadon, if he had his 2 sisters and Laura in his home after Laura's mothers death — the one sister Martha I have as having died in Washington Co, Ill in 1882. Then Willis married in 1883 evidently in Ill. & moved to Kansas with Sarah (sis) and Laura (niece) but when. We noted Laura is registered as Laura E. which interested us as Grant's oldest sister said her name was Lauretta and had that put on the headstone at her death. Laura always said it was Esther — oh well! Mother talked of Oswego, Ks. so much — sure would like to get and 1890 census of them, didn't know they'd been lost probably from Labette Co. tho Willis died in Fredonia, Wilson Co, Ks. I have no record of his family just wife's name, Mary Henry. I have tried our Library for help but haven't ever had much luck. My biggest help has come

from other genealogists. Laura was a teacher also and came West in 1895 to visit friends and met & married Grant A. Trumbull in 1899.

Well I'd better close, you're probably tired trying to decipher this hen scratching! The story of Geo. W. Hendricks marriage was interesting too. Sarah must have been a strong willed woman. Would sure li~~ken~~ to find her parents' names — from Ky. I guess.

Bye for now, do keep in touch, Grant hasn't many relatives besides his immediate family so nice to find some!

Sincerely
Lena & Grant Trumbull

Vol. III. FREDONIA, KANSAS, MONDAY MARCH 18, 1907. No 290

OBITUARY.

Mary Kennedy was born in Garrett, Kansas, May, 18 1826, her parents moved to Indiana, when she was a girl. September 1, 1848 she was married to Wm. J. Burton in Bartholomew county Indiana, where they resided for for 4 years, when they moved to Decatur, Ill. They resided here for 20 years when in the fall of 1871, they removed to Wilson Co. Kansas and took up their residence in Fredonia occupying the house south of the Christian church that still stands to tell the early history of this city. Three years later they purchased a farm east of town where they lived until failing health and age made it best for them to retire to this city again and in 1898 they moved to their home on south 8th street and here they lived till Mr Burton passed away.

For more than 56 years these two noble people lived to share each others joys and sorrow, splendid types of the best and truest to be seen in happy weded life. Eight children were born to this union, 3 of whom survive, Mrs. Allada Lashier, of Chicago; James H. Burton and Mrs. Flora Lugenbeal of this community.

Mother Burton's mother died when mother Burton was 13, she being the oldest of her brothers and sisters in a large sense she became the mother to them and the care of these may have contributed to making her the care- and patient mother she became to her own children.

She became a Christian in her girlhood days and for more than 60 years remained a steadfast disciple of Jesus, a loyal and faithful member of the Presbyterian church, her love for the truly beautiful. In her last days nothing seemed to bring her such joy as to have her granddaughters sing for her such hymns as "Nearer My God to The" "When the Roll is 'Call up Yonder I'll be There." She pass on before at the home of her daughter, Mrs. Allada Lashier, in Chicago March 13, aged 80 years, 10 months and 22 days. Those of near kin who survive her are her three children, and one brother, J. G. Kennedy, of Fredonia and three sisters, Mrs. Henry and Mrs. Robert Peuland of Ohio, and Mrs. Robert Tyler, of Fredonia.

The funeral was held at the Presbyterian church Saturday afternoon at 2 o'clock, Rev. McFadden conducted the service assisted by Rev. Kirkland. The church was well filled with friends. The floral offerings were very beautiful.

OBITURY.

Willis V. Hendricks died at his home in the west part of town yesterday morning. Funeral services were conducted at the home by Rev. Estill at 2 p. m.

Mr. Hendricks was born 57 years ago in Bellveille, Illinois. August 2 1883 he was married to Miss Mary A. Teeney, who with two children a son and daughter survive him. Mr. Hedricks for a number of years taught in the public schools of Wilson county and was always a useful and respected citizen. He was not a member of any church or lodge in the city.

The tender sympathy of a number of friends goes out to the widow and fatherless in their sad bereavement.

ANOTHER IMPROVEMENT.

The new Christian church foundation has begun and it will only be a short time until a handsome modern edifice will adorn this part of the city.

Clothing pressed free is an old graft. You can save money by buying your spring suit of Hobson who makes them right, sells them right and you can afford to have them pressed right. Over Pierces' Drug Store.

L. P. Dean and wife, of Hamburg, Iowa, who have been the guests of W. S. Bogan and family returned to their home this morning. Mr. Dean is Superintendent of the Burlington Railroad Company.

Robert E. Daily, of Kansas City, has been installed as night operator and ticket seller at the Frisco depot in the place of Mr. Shay, who has been sent to Carl Junction.

We have great need for a humane society in Fredonia, for the prevention of cruelty to animals. There is a horse feeding in the ditch in front of the Frisco that is nothing but skin and bones, and the railroad men have named it, "The Swamp Angel".

Don't think you are getting something for nothing when you pay $35.00 for a $20.00 suit and get it pressed free. Hobson sells them at the right price and presses them for 75c. Over Pierces' Drug Store.

Ray Oliver, cashier at the Frisco depot, found some money in the waiting room Saturday afternoon. The owner can have

OBITUARY.

Mary Kennedy Burton was born in Garrett Co., Ky. May, 18, 1826. Her parents moved to Indiana when she was a girl. September 1, 1848 she was married to Wm. J. Burton in Bartholomew county Indiana, where they resided for for 4 years, when they moved to Decatur, Ill. They resided here for 16 years when in the fall of 1871, they removed to Wilson Co. Kansas and took up their residence in Fredonia occupying the house south of the Christian church that still stands to tell the early history of this city. Three years later they purchased a farm east of town where they lived until failing health and age made it best for them to retire to this city again and in 1898 they moved to their home on south 8th street and here they lived till Mr Burton passed away.

For more than 56 years these two noble people lived to share each others joys and sorrow, splendid types of the best and truest to be seen in happy weded life. Eight children were born to this union, 3 of whom survive, Mrs. Allada Lashier, of Chicago; James H. Burton and Mrs. Flora Lugenbeal of this community.

Mother Burton's mother died when mother Burton was 13, she being the oldest of her brothers and sisters in a large sense she became the mother to them and the care of these may have contributed to making her the care- and patient mother she became to her own children.

She became a Christian in her girlhood days and for more than 60 years remained a steadfast

PROSECUTE LIQUOR CASES?

Attorney General Considers Pushing Liquor Violation Cases—Rail Merger May Take Place Soon

Washington, Jan. 27.—The proposal for consolidating much of the railroad mileage in the northeastern quarter of the United States into four great unified rail systems, equal in size, was laid before the Interstate Commerce commission today by the heads of the New York Central, Baltimore and Ohio Nickel Plate systems. Lacking the acceptance of the Pennsylvania railroads, the four-system plan plan was laid before the commissioners with arguments for its advantages.

President Coolidge was sought at the White House breakfast conference today to pave the way for the transmission to congress of legislative recommendations for an agricultural commission.

A $100,00 expenditure has been approved in the budget system for the commerce department for the investigation into radio broadcasting results.

The house Republicans will caucus Friday to decide on a candidate for speaker and floor leader.

The Department of Justice is considering whether to develop its own case against the persons named in the Wehawken liquor cases, or to urge the state authorities to go ahead with second proceedings.

SOMETHING GONE WRONG

The county attorney of Shawnee county, heralded by the Missouri newspapers as the man who would crucify Peterson and Davis, now refuses to jump through the hoop, stating that he has not sufficient evidence of bribery to issue a warrant. He appeals to Griffith.

It looks now like the attorney general would have to do his own performing and like other prosecuting attorneys we have heard of, it might not pay to let the case go to a jury so he may compromise.

Anyway, Griffith and his Missouri friends have had a great deal to say, a lot of nice [illegible] mud to sling and a glorious revenge on Davis, even if they cannot send him to jail.

YOUR INCOME TAX
No. 9

The revenue act of 1924 provides for certain specified deductions from gross income in determining net income, among which are business expenses, interest on indebtedness, taxes, losses, bad debts, depreciation, depletion and contributions and gifts. Each will be treated separately.

Deductions for business expenses form the largest claim in the returns of many taxpayers. All the ordinary and necessary expenses of a trade or business or profession paid or incurred during the year for which the return is made are allowable deductions.

A taxpayer in trade or business may claim as deductions from gross income a reasonable allowance for salaries paid employees, amounts spent for advertising, premium for insurance against fire or other business losses, rent paid for store or warehouse, the cost of fuel, light, water, telephone, stationery, etc., used in his place of business, drayage and freight bills and the cost of operation and repair of delivery wagons and trucks. A professional man may claim as deductions the cost of supplies used in his practice, expenses paid in the operation and repair of an automobile used for professional calls, dues to professional societies, subscriptions to professional journals, office rent, the cost of fuel, light heat and water used in such office and the hire of assistants.

The farmer who operates a farm for profit may deduct all amounts paid in the production and harvesting of his crops, including labor, cost of seed and fertilizer used, cost of minor repairs to farm buildings (but not the dwelling) and cost of small tools used up in the course of a year or two.

Deductions for business expenses must have certain qualities to be allowed. They must relate to a business, trade, profession or vocation in which a taxpayer has invested time and money for the purpose of a livelihood or profit. A taxpayer may conduct more than one business and claim a deduction for the business expenses of each provided he devotes sufficient time and attention to each

SCHOOL OFFICERS MEET

Wilson County School Officers Association Met Saturday

The Wilson County School Officers' association held the first semi-annual conference of the school year at the Fredonia High School building Saturday, January 24, at 1:15 p. m. The program for the day opened by the following program provided by the Coyville consolidated school:

Piano Duet .... "Comrades in Arms"
Genevieve Gromer and Athol Harbert
Reading .... "A Matrimonial Storm"
Ruth McGraw
Play .... "Uncle Dick's Mistake"
High School
Violin Solo
"Drifting Back to Dreamland"
Dale Baker, accompanied by Doris Baker

The Coyville Consolidated school is one of the rising schools of the county. They have maintained until the past year a two-year approved high school. This year they are maintaining a four-year high school, for the first time, and are planning to meet requirements for accreditment during the present school year. The Coyville school has taken a rapid step forward during the past few years under its administration. They are to be commended upon the splendid advancement made.

Immediately following the program given by the Coyville Consolidated school, LeRoy Bradfield, of Neodesha gave an address on the problems of the modern school. Mr. Bradfield is a lawyer-school man and his address was well received and appreciated by all.

Following the address, Dr. W. H. Young, county health officer, gave needed information regarding his department and Supt. L. A. Martin held a short conference for the purpose of instruction on matters pertaining to the schools of the county.

During the business session, which followed the foregoing, needed school legislation was discussed and officers were elected for the coming year. J. N. Miller, clerk of District 91, Cairo, was reelected as president of the association, and Mr. W. S. Brown director of the Board of Atoona schools was reelected as vice president of the association. It was unanimously voted by the members present that Mr. Brown should represent the association at the Council of Administration to be held at Topeka in February.

Although the attendance was not large due to the extreme condition of the roads, the meeting was a profitable one to the schools of Wilson county.

Prof. L. H. Hausam of Emporia, one of the foremost penmen of America, and author of the Kansas State adopted Penmanship Course, has been secured as a member of the faculty for

PIONEER FREDONIAN DIES

Mrs. J. B. F. Cates Dies at Her Home in Independence

Independence Reporter—

Mrs. J. B. F. Cates died at her home in this city Sunday night at 11:30 o'clock, following a short illness. She suffered a stroke of apoplexy Friday morning, and gradually weakened until her eyes closed in eternal sleep.

She is survived by her aged husband, two sons, R. W. Cates of the Citizen-First National bank of this city, and C. H. Cates of New York City, and one daughter, Ada E. Cates, at the home address.

Nellie Wilhoite was born on October 3, 1848, in Platte county, Missouri. She was united in marriage to J. B. F. Cates at the female Seminary at Liberty, Mo., immediately following her graduation from that school, in June 1867. To this union six children were born, three of whom preceded their mother to the grave.

After the marriage of Mr. and Mrs. Cates they came to this state and located at Humboldt, where Mr. Cates had already established himself in the practice of law. At that time the land office for this section of Kansas was located at Humboldt. During the active years of Mr. Cates as a lawyer they lived at Chanute, Fredonia, Kansas City) and spent some time in Florida, and in 1905 they came to this city and permanently located, Mr. Cates at the time, being general attorney for the Prairie Oil & Gas company.

Mrs. Cates was a member of the Episcopal church and for years was active in the women's club work of this state. She was a capable efficient woman, greatly devoted to her home and family, and deeply interested in the promotion of the worth while things of life. Coming here as a pioneer she gave freely of her time and abilities to aid in the development of those refining, social, religious and civic conditions that have marked the community life of this section. She bravely faced the trials and vicissitudes of pioneer life and lived to see the early efforts of the cultured and determined women of her time bear abundant fruit.

The funeral will take place from the family residence, 418 North Twelfth street, Wednesday morning. The services will be in charge of Rev. F. B. Shaner of the Episcopal church.

C. M. Cates is now sojourning in California, but it is thought he will reach here in time for the funeral to be held as announced.

A "DELICATE SITUATION"

A State Law Requires Payment of Back Taxes at Double Rate

Topeka, Kan. Jan 27.—(By The Associated Press)—What is termed by Noah L. Bowman, member of the state tax commission, as a "delicate situation" may arise in case the legislature enacts a law placing a higher tax on intangible property than is levied against property in general, as was intended by the tax amendment adopted at the last general election. Mr. Bowman calls attention to a state law which requires payment of back taxes at doube the regular rate, for a period of five years, on property which is found to have escaped taxation. If holders of intangible property are moved to place their notes, mortgages and other collateral on the tax rolls under the proposed new law, and it is discovered that for some years past the same property has escaped taxation, the question arises as to liability under the law penalizing tax dodgers.

"One of the good results, promised and expected, under the proposed tax law, is the coming out of hiding of many thousands of dollars worth of notes and other evidences of debt and voluntary filling a heretofore vacant space on the tax roll," said Mr. Bowman.

"But we now have a law on the statute book—79-1427 Revised Statutes of 1923—requiring the taxing officer, on discovering property which has escaped taxation heretofore, to place the same at double its actual value on the assessment roll for the time it has escaped, not to exceed five years, which is equal to a tax on its actual value for ten years—all assessed and collected at once. The law is not discretionary with the taxing official. When a note, for instance, says: 'Where have you been all these past five years? Don't you know I must now put you on the roll as escaped assessment for the five years and impose a double tax for that period?'"

Commissioner Bowman contends that the only solution is that the old penalty law must be repealed and "the penalty already incurred for escaping taxation be forgiven" if the new plan is to result in listing intangibles that have heretofore been registered for taxes.

"Otherwise, the only result that could be expected," he declared, "will be that owners of such property will continue to hide it, and there will be no increase in taxable property, but a decrease in revenue in proportion to the reduction in rate."

Commissioner Bowman, a Democrat, was opposed to the tax amendment during the pre-election campaign.

HILDA BRADY JONES CONCERT

The aria which Hilda Brady Jones will sing on her program Wednesday night at the high school is taken from the opera, "Louise" written by Charpentier.

The scene of "Louise" is laid in Paris. Louise is a factory girl, daughter of a poor but good hearted working man and his shrewish wife. Utterly unsophisticated, the girl has formed an attachment for Julien, a handsome but improvident young poet. Louise's mother, is violently opposed to the match, and the girl finally leaves her parents and goes to live with Julien. They set up housekeeping in a little cottage on the hill of Montmarte, overlooking Paris.

After some weeks, Louise's mother comes to tell the girl her father is dying, and pleads with her to return home for a time. Louise does so, after receiving her mother's promise to let her return.

The last act shows Louise practically a captive in the house of her parents. There ensues a dramatic scene between the girl and her father. He implores her to love him as before. She remains unmoved, and reminds him of her mother's promise of liberty The discussion grows more heated, until Louise, in a frenzy of hysteria, begs to be set free—to be allowed to return to her life with Julien, to anything, rather than stay where she is. This exasperates her father, and he throws wide the door and bids her leave. Frightened and hesitant, she is driven from the house. Then her father, realizing what he has done, tries to call her back. But he is too late; she is gone forever.

The third act shows the lover's cottage. Julien is seated near the house and Louise stands near him. After a moment she sings this lovely aria, "Ever since the day I gave myself to thee, I seem to be dreaming under a perfect sky, still drunk with thy first kiss." It is a love song of rare and unusual beauty.

It will be interesting to know that Hilda Brady Jones who will give her recital at the high school Wednesday evening, is a pupil of Oscar Seagle, who married a DeWeese girl, who at one time visited in Fredonia and has an uncle living in the vicinity of Fredonia.

Radio Menaces Future of Theatre Say Producers

New York, Jan. 27.—Consideration of the effects of radio upon the stage will be one of the principal tasks to be undertaken by a "committee truly representative of the theatre" which is scheduled to be organized in a few days as a result of the conference under the auspices of the Actors Equity association attended by thousands of persons connected with the theatre.

William A. Brady, theatrical producer and manager, portrayed the radio menace to the theatre and said there was a great reduction in seat sales when big concerts were broadcast.

C. H. MEYERS SELLS FARM

A deal was closed today wherein Clyde Meyers sells his farm home on Rainbow creek to W. E. Tauschner.

Mr. Meyers will have a public sale of livestock, implements, etc., within the next month and will give possession March 1.

The Meyers have not fully decided as to the future, but as they retain ownership of their farm on Fall River, near the mill dam, they will doubtless ultimately settle down with the retired list of town farmers and take life more easily, a privelege that all who know the Meyers will admit they have earned.

The big barn located on the north side of Adams street, just west of the Linseed Oil mill, is being wrecked this week, and parts of the material will be used in the construction of a big warehouse, 40x80 feet, just south of the mill buildings.

OBITUARY—HENDRICKS

Mary A., daughter of Mr. and Mrs. George Feeney, was born in Lively Grove, Ill., June 26, 1856, and departed this life at her home in Fredonia Kan., on January 26, 1925, aged 68 years and 7 months.

She was united in marriage to William V. Hendricks on August 4, 1883, and to this union two children were born, Grace and Guy. The husband departed this life in 1908.

Mrs. Hendricks leaves to mourn their loss her daughter, Mrs. Grace Stark and little granddaughter, Evaden D. Villers, besides other relatives and friends.

Mrs. Hendricks came to Wilson county with her husband in 1884 and lived in this county since that time until her death. In early childhood she was converted in the Presbyterian faith and continued a member until her death.

Funeral services, conducted by Rev. W. J. Webster, were held Wednesday afternoon at 2:00 o'clock and burial was made in the Fredonia cemetery.

INDOOR SPORTING EVENT

County treasurer, O. C. Wilson received a batch of mail today that had the appearance of having been soaked in some kind of liquid.

Various opinions were ventured as to the liquid, but it was a general opinion that the letters smelled strongly of alcohol. Anyway, within a few moments nearly the entire courthouse force were gathered in the treasurer's office on one pretense or another.

As a parting shot; most all of these letters came from Neodesha.

"The burdens of direct property taxes have become so heavy that farmers are threatened with bankruptcy," the resolutions continhed.

"We recommend that the legislature shift a part of the cost of government from farms and other physical property and suggest the followiny available sources of revenue:

(A) A gross production tax on oil and other mineral resources.

A resolution was adopted authorizing the board of directors to pay the expenses of a legislative committee of not more than three members, including the state president, to attend the present session of the legislature and do "Whatever is proper and possible" to secure enactment of laws recommended by the Farmers Union, "and to prevent the enactment of any legislation detrimental to the agricultural interests of Kansas."

COTTAGE PRAYER MEETING

The cottage prayer meeting which began shortly before the recent revival meeting at the Methodist church are being continued in a number of homes on South Eighth street. Next Tuesday morning at 10:00 o'clock the meeting will be at the home of Mrs. W. A. Fiscus.

Don't let anyone think the fight upon Mr. Davis is due to this pardon stuff. Governor Allen's last minute emptying of the penitentiary included twelve murderers, six bank wreckers, four highwaymen, nineteen burglars, six rapists and enough of the minor criminals to make a total of ninety. There were no pages of exposure in the big papers, nor loud headlines bearing upon this wholesale business of relieving the burdens of the pen.—Clay Center Economist.

Frank Brown, who had a battery stolen from his Ford car Tuesday night, says tracks in the snow from his garage led straight to a certain plumber's home nearby, but that the plumber had a good alibi, as his feet were entirely too large to fit the tracks made by the real thief. Big feet may be a blessing after all.

EX-GOVERNOR AND BANK COMMISSIONER MUST FACE TRIAL ON CHARGES OF BRIBERY

PETERSON IS OUT ON BOND

Davis, Due to Illness, Will Not Appear for Hearing Before Saturday—Hearing Set for February 6

Topeka, Jan. 29.—Carl J. Peterson, state bank commissioner under Davis, appeared in city court this morning and pleaded not guilty to charges of acting as the former governor's agent in the alleged sale of the pardon of Walter Grundy, convicted of embezzlement in Reno county.

Davis will be arraigned Saturday by the same warrant. Because of a slight illness, according to T. J. Hurley, marshal for the court, the accused governor is reluctant to leave his farm near Bronson until the weather moderates and he feels better. Davis' attorneys assured that he would make his appearance Saturday.

Peterson and Davis will receive their preliminary hearing February 6. Peterson was released on a $1000 bond signed by Joseph F. Kell, Topeka banker.

WOULD TAX NON-VOTER

Farmers Union Has Scheme to Force All Men to Vote

Salina, Kan., Jan. 29.—A plan designed to enhance greatly the number of voters in Kansas was recommended to the legislature for enactment into law by the Kansas Farmers Union at its annual convention here.

"Free institutions can not be preserved without the political activity of all citizens," says the resolution. "We are in favor of a poll tax on all qualified voters, with provisions that each voter shall receive a receipt for one half of his poll tax when he casts his ballot in the primary election and for the remaining half when he votes at the regular election."

The Union renewed its demand that the legislature enact laws authorizing the organization of cooperative banks and credit unions. The resolutions approved the present primary law "in principle" but suggested that a primary election in May would better suit the farmers than in August as now provided by law. The "county unit" plan of distribution of highway funds, rather than placing them at the disposal of the state highway commission, was adopted.

"The burdens of direct property taxes have become so heavy that farmers are threatened with bankruptcy," the resolutions continued.

"We recommend that the legislature shift a part of the cost of government from farms and other physical property and suggest the followiny available sources of revenue:

(A) A gross production tax on oil and other mineral resources.

"THE PIONEER WOMAN"

Interesting Article Written by Mrs. T. J. Hudson

At a recent meeting of the Woman's Mutual Benefit club of Fredonia, the following interesting article on the Pioneer Woman was read by Mrs. T. J. Hudson ,its auther:

I very rashly promised Mrs. Isaac Hudson to take her topic on the program in her absence. I supposed it would be easy to get any amount of information on the subject, but after calling on the university extension without receiving anything helpful, and interviewing the city library and part of the State Historical collection, I decided that the pioneer women had been rather neglected.

I knew, however, that there must have been many interesting pioneers who had come from eastern schools and cultured homes and with their husbands were imbued with the lofty purpose "To cross the prairies, as of old The Pilgrims crossed the sea; To make the west as they the east, The homestead of the free."

I found quite a number mentioned with sketches of their husbands in historical collections, but on account of finding so many interesting things to read, I lost much time in gleaning them from the mass of reminiscences.

They came in the 50's to discomforts and privations unknown in later years, and bravely did their part in making the glorious state we know. Their lives in those troublous times when their loved ones never left their cabin homes without being in danger from the vindicitive pro-slavery men, called for great bravery and faith in God's care. I think of Mrs. Marsh Murdock, Mrs. Jim Lane, Mrs Mitchell, the mother of Bishop Charles Mitchell, Mrs. Chase of Topeka, the mother of Governor Crawford's wife, and grandmother of Mrs. Arthur Capper, who went to bed one night with a rattle snake and though a fleshy woman, displayed great activity in getting out, pulling her sleeping husband after her; Mrs. F. P. Baker, and Mrs. Sol Miller, wives of Free state editors, who were hated by the opposition; and Mrs. C. J. H. Nichols, who attended the Wyandotte convention and sat knitting while listening and as occasion offered, counselled for those provisions that protest the sacred rights of man, the protection of the home and establishment of justice. Mrs. Fisher, the wife of Elder Fisher, who describes so graphically his early experiences as a minister in his book, "The Gun and the Gospel," Mrs. Richard Cordley, whose husband was so hated and sought, though unsuccessfully, as a special victim, by Quantrell in his raid; Mrs. John Ritchie, whose husband managed the underground railway, by which so many fugitive slaves gained freedom, and nearer home, Mrs. Lou Hudson's mother, Mrs. Case and my own mother.

Their stories of early encounters with Indians, wild animals, and

ereign." A couple of stories illustrating Mrs. White's economy follow: One day she saw a large snake on a log behind the clock, which stood on a rude shelf. She couldn't strike it without injuring the clock, and clocks were too scarce to be broken for a snake, so she caught it by the tail, and with a quick, strong jerk, dashod its head on the carpetless floor. Another was coiled around a tree, and no weapon in sight. She looked at her kettle of soap boiling over the fire out of doors and dipped up a cupful to scald it. She looked at the snake, which was watching her; and then at the golden fluid, and thought what a pity to waste it in that way; so hunted up the spade to kill it, and acquired fourteen rattles as a trophy. It surely was quite a tame snake.

Mrs. Mackey of Lecompton, whose husband was so ill he could not be moved to escape the border ruffians, provided tubs of water which she kept boiling hot, intending to use it by the dipper full if any one molested them. Fortunately they did not, as they would not probably have found a Sharp's rifle as effective in her hands as this defense would have been. Finally, worn out with their pioneer troubles, the Mackeys went east, but in 1859, came back again as she said they couldn't get a breath of air at their old home.

When Lawrence was in a state of siege by the pro-slavery forces it was discovered the brave defenders were short of ammunition, so Mrs. Sam Wood and Mrs. Andrews went to get some which had been buried about five miles away. They were in an old buggy, and a boy who knew where it was located, followed at a distance with an ox team. They were questioned by sentinels several times, but their baskets and vessles for milk looked as if they were off for a friendly visit as claimed, while the boy played the role of simpleton going for wood. After dinner they borrowed some pillow cases and uncovering the kegs of powder, put it in and tied them around their waists under some extra dresses they had brought. After the bullet molds, gun wipers and bars of lead were bestowed in their sleeves, waists and stockings, they had to be lifted into the buggy, but were fortunate to ride safely into Lawrence, where they were greeted with hearty cheers. The increased confidence of the besieged, aided by a severe cold snap, sent the invaders back to Missouri.

One of the best known pioneer women of Kansas was Mrs. Sara T. D. Robinson, wife of the last governor of the territory and the first governor of the state. Her parents were both well educated and their home was often visited by the most distinguished people of the times. She also received a fine education, though she had a severe fall while attending the seminary which made her an invalid until Dr. Charles Robinson cured her. They were married in 1851, and in 1854 came to Kansas. She was an enthusiast in the cause of freedom and a great help to her husband in his work as agent of the Emigrant Aid society of New England, and a source of inspiration to other women of those trying times. In 1856 she published a book, "Kansas—Its Interior and Exterior Life," in which she describes the scenes, actors and events of the struggle between the factions in that early day. Mrs. Robinson was a pleasing writer, and this work is ranked among the most valuable productions touching that period of Kansas history with which it deals. She died in 1911.

Of course, there are many interesting women in Kansas, of a later date, who are much better known and appreciated in many lines of effort and of whom we are justly proud, but we will not forget those first ones, who struggled so bravely to make happy homes for their dear ones, and train their children for lives of usefulness and honor, and as Sol Miller wrote many years ago:

"God bless the homes of Kansas!
From poorest to the best;
The cabin of the border,
The sod house of the west;
The dug-out low and lonely,
The mansion grand and great,
The hands that laid their hearth-
stones
Have built a mighty state!"

SONG RECITAL PLEASES

Big Crowd Attends Hilda Brady Jones Recital

The first appearance of a Fredonia favorite in several years and an event truly unique in local entertainment occurred yesterday evening when Mrs. Hilda Brady Jones, of New York, with Mrs. James Butin at the piano, presented a song recital to old friends and admirers of Fredonia at the High School auditorium. The Hilda Brady of ten years ago never failed to please and delight her listeners with her wonderful soprano voice, but the Hilda Brady who appeared before us last evening delighted us with the same rich tone, but with the added years, the great training, her voice was more expressive, fuller, of greater volume and if possible, more beautiful.

Mrs. Jones presented the following numbers:

Care Selve	Handel
Ara di Polissena from Radmisto (1720)	Handel-Bibb
Charity	Hageman
Christ Went up into the Hills	Hageman
By the Waters of Minnetonka	Lieurance
Awakening	Golde
Louise Aria	Charpentier
Selection by Fredonia High School Orchestra

Believe Me if all those Endearing Young Charms	Old Irish Melody
The Bird of the Wilderness,	Horsman
The Steppe	Gretchaninow
Lullaby	Gretchaninow

Mrs. James Butin at the piano, accompanied Mrs. Jones with her customary charming skill. Both ladies were recipients of appreciative applause and bouquets of beautiful flowers from their audience.

The recital was given under the auspices of the musical department of the High school.

ARRIVAL OF KANSAS WHEAT GIRL CREATES EXCITEMENT IN THE CAPITAL

"CAL" VOICES OPINION

Says Kansas Not Only Grows Best Wheat in World, But also Some Very Good Looking Girls

Washington, Jan. 29.—The blue-eyed miss from Kansas who raises chickens and cooks for harvest hands and today claimed part of the Washington stage for herself, while congressmen and the cabinet officials and the President paused in their official tasks to do her honor, was Miss Vada Watson of Turon, aged 19.

Her arrival has attracted as much attention as a foreign envoy. The "Kansas Wheat Girl" carried to President Coolidge a bag of wheat with the message, "Kansas Grows the Best Wheat in the World." Her visit was timed to coincide with the celebration of Kansas day. She was received at the station by the Kansas delegation of congress. Her first engagement was at the White House, where she delivered to President Coolidge the sack of wheat which was some of that harvested by the late President Harding near Hutchinson on his final western trip. She was then received by Mrs. Coolidge. A luncheon was given in her honor at the capital by Senators Curtis and Capper. She attended the annual dinner of the Kansas society as their honor guest.

President Coolidge, accepting the wheat, observed, "Kansas not only grows the best wheat in the world, but apparently the best looking girls.

STEALS CAR BATTERY

Trussell Sargent, a young man about 20 years of age, needed a battery for his car the first of this week. He had no money to buy one so he looked up the most convenient car he could find, which happened to be one belonging to Frank Brown who lives in the northeast part of town.

Frank was using the battery in his car, in fact had just installed it freshly charged, Tuesday evening, so really the young man did not make such a bad choice. However, when Frank went out to his garage yesterday morning he noticed the floor board and mat lying beside the car, so investigated, finding his battery gone.

He notified the authorities and following certain clues, Marshal Huffman corraled the young fellow, who, while driving Mr. Huffman back to town, admitted the theft.

This afternoon in justice court, the young man was sentenced to serve 30 days and was fined $10.
